MOTION/RECOMMENDATION:

Approve the Resolution adopting new Service Areas #1, #2, and #3 for the provision of Residential Solid Waste Collection Services.

BACKGROUND:

The residential franchised haulers' Service Areas have been realigned to improve customer service in unincorporated Seminole County.

The newly defined Service Areas provides the three haulers with an equal number of customers and clears up the existing issues resulting from consolidations, acquisitions, and mergers of previous residential franchised haulers. Over time, as companies merged and changed, their Service Areas become more scattered and less contiguous.

The adoption of the newly defined Service Areas provides for distinct, contiguous Service Areas and repeals Resolution 93-R-218. The following are the new Service Areas and the hauler assigned to each area.

Service Area 1- Waste Management, Inc. of Florida
Service Area 2 - Waste Services of Florida, Inc.
Service Area 3 – Waste Pro of Florida, Inc.
