

Presentation

Wireless Technologies St. Cloud Experience

Presented by

Glenn Sangiovanni,

Former Mayor of St. Cloud, Florida

In March 2006, St. Cloud, Florida launched the first 100% free city-wide high-speed wireless network delivered as a public service called Cyber Spot.

Mr. Glenn Sangiovanni, was the Mayor of St. Cloud at that time, and will give the Board a short presentation on the experience of wireless technologies throughout the city.
