THIS AGREEMENT is entered into by and between the State of Florida, Department of Community Affairs, with headquarters in Tallahassee, Florida (hereinafter referred to as the "Department"), and Seminole County, (hereinafter referred to as the "Recipient").

THIS AGREEMENT IS ENTERED INTO BASED ON THE FOLLOWING FACTS:

B. WHEREAS, the Department has received these grant funds from the federal government, and has the authority to subgrant these funds to the Recipient upon the terms and conditions hereinafter set forth; and

C. WHEREAS, the Department has authority pursuant to Florida law to disburse the funds under this Agreement.

NOW, THEREFORE, the Department and the Recipient do mutually agree as follows:

(4) MODIFICATION OF CONTRACT: REPAYMENTS

Either party may request modification of the provisions of this Agreement. Changes which are mutually agreed upon shall be valid only when reduced to writing, duly signed by each of the parties hereto, and attached to the original of this Agreement.

Changes to the amount of funding to be provided may be accomplished by notice from the Department to the Recipient, in the form of certified mail, return receipt requested. The Department may make an award of additional funds by subsequent Award Letter certified mail, return receipt requested, to the Recipient's contact identified in Paragraph (10), below. Should the Recipient determine it does not wish to accept the award of additional funds, then the Recipient shall provide notice to the Department contact within thirty (30) days of receipt of the Award Letter. The budget form will be provided by the Department when the offer of additional funds is made.

Notwithstanding the foregoing, any budget changes which do not increase the overall cost of the project or change the Scope of Work do not require a written modification to this Agreement.

All refunds or repayments to be made to the Department under this Agreement are to be made payable to the order of "Department of Community Affairs", and mailed directly to the Department at the following address:

(5) RECORDKEEPING

(a) As applicable, Recipient's performance under this Agreement shall be subject to the federal "Common Rule: Uniform Administrative Requirements for State and Local Governments" (53 Federal Register 8034) or OMB Circular No. A-110, "Grants and Agreements with Institutions of High Education, Hospitals, and Other Nonprofit Organizations," and either OMB Circular No. A-87, "Cost Principles for State and Local Governments," OMB Circular No. A-21, "Cost Principles for Educational Institutions," or OMB Circular No. A-122, "Cost Principles for Nonprofit Organizations." If this Agreement is made with a commercial (for-profit) organization on a cost-reimbursement basis, the Recipient shall be subject to Federal Acquisition Regulations 31.2 and 931.2.

(b) The Recipient shall retain sufficient records demonstrating its compliance with the terms of this Agreement for a period of five years from the date the audit report is issued, and shall allow the Department or its designee, Comptroller, or Auditor General access to such records upon request. The Recipient shall ensure that audit working papers are made available to the Department or its designee, Comptroller, or Auditor General upon request for a period of five years from the date the audit report is issued, unless extended in writing by the Department, with the following exceptions:

1. If any litigation, claim or audit is started before the expiration of the five year period and extends beyond the five year period, the records will be maintained until all litigation, claims or audit findings involving the records have been resolved.
2. Records for the disposition of non-expendable personal property valued at \$5,000 or more at the time of acquisition shall be retained for five years after final disposition.
3. Records relating to real property acquisition shall be retained for five years after closing of title.

(c) All records, including supporting documentation of all program costs, shall be sufficient to determine compliance with the requirements and objectives of the Budget and Scope of Work - Attachment A - and all other applicable laws and regulations.

(d) The Recipient, its employees or agents, including all subcontractors or consultants to be paid from funds provided under this Agreement, shall allow access to its records at reasonable times

The ending dates for each period of the program year are June 30 and December 31.

(c) The close-out report is due 60 days after termination of this Agreement or upon completion of the activities contained in this Agreement.

(d) If all required reports and copies, prescribed above, are not sent to the Department or are not completed in a manner acceptable to the Department, the Department may withhold further payments until they are completed or may take such other action as set forth in paragraph (9). The Department may terminate the Agreement with a Recipient if reports are not received within 30 days after written notice by the Department. "Acceptable to the Department" means that the work product was completed in accordance with generally accepted principles and is consistent with the Budget and Scope of Work.

(e) Upon reasonable notice, the Recipient shall provide such additional program updates or information as may be required by the Department.

(7) MONITORING

The Recipient shall constantly monitor its performance under this Agreement to ensure that time schedules are being met, the Budget and Scope of Work is being accomplished within specified time periods, and other performance goals are being achieved. Such review shall be made for each function or activity set forth in Attachment A to this Agreement. In addition, the Department will monitor

the performance and financial management by the Recipient throughout the contract term to ensure timely completion of all tasks.

In addition to reviews of audits conducted in accordance with OMB Circular A-133, as revised (see "AUDIT REQUIREMENTS" below), monitoring procedures may include, but not be limited to, on-site visits by Department staff, limited scope audits as defined by OMB Circular A-133, as revised, and/or other procedures. By entering into this Agreement, the Recipient agrees to comply and cooperate with any monitoring procedures/processes deemed appropriate by the Department. In the event that the Department determines that a limited scope audit of the Recipient is appropriate, the Recipient agrees to comply with any additional instructions provided by the Department to the Recipient regarding such audit. The Recipient further agrees to comply and cooperate with any inspections, reviews, investigations or audits deemed necessary by the Comptroller or Auditor General. In addition, the Department will monitor the performance and financial management by the Contractor throughout the contract term to ensure timely completion of all tasks.

(8) LIABILITY.

(a) Unless Recipient is a State agency or subdivision, as defined in Section 768.28, Fla. Stat., the Recipient shall be solely responsible to parties with whom it shall deal in carrying out the terms of this agreement, and shall save the Department harmless against all claims of whatever nature by third parties arising out of the performance of work under this agreement. For purposes of this agreement, Recipient agrees that it is not an employee or agent of the Department, but is an independent contractor.

(b) Any Recipient who is a state agency or subdivision, as defined in Section 768.28, Fla. Stat., agrees to be fully responsible to the extent provided by Section 768.28, Fla. Stat., for its negligent acts or omissions or tortious acts which result in claims or suits against the Department, and agrees to be liable for any damages proximately caused by said acts or omissions. Nothing herein is intended to serve as a waiver of sovereign immunity by any Recipient to which sovereign immunity applies. Nothing herein shall be construed as consent by a state agency or subdivision of the State of Florida to be sued by third parties in any matter arising out of any contract.

(9) DEFAULT; REMEDIES; TERMINATION.

(a) If the necessary funds are not available to fund this agreement as a result of action by Congress, the state Legislature, the Office of the Comptroller or the Office of Management and Budgeting, or if any of the following events occur ("Events of Default"), all obligations on the part of the Department to make any further payment of funds hereunder shall, if the Department so elects, terminate and the Department may, at its option, exercise any of its remedies set forth herein, but the Department may make any payments or parts of payments after the happening of any Events of Default without thereby waiving the right to exercise such remedies, and without becoming liable to make any further payment:

1. If any warranty or representation made by the Recipient in this Agreement or any previous Agreement with the Department shall at any time be false or misleading in any respect, or if the Recipient shall fail to keep, observe or perform any of the terms or covenants contained in this Agreement or any previous agreement with the Department and has not cured such in timely fashion, or is unable or unwilling to meet its obligations thereunder;

2. If any material adverse change shall occur in the financial condition of the Recipient at any time during the term of this Agreement from the financial condition revealed in any reports filed or to be filed with the Department, and the Recipient fails to cure said material adverse change within thirty (30) days from the time the date written notice is sent by the Department.

3. If any reports required by this Agreement have not been submitted to the Department or have been submitted with incorrect, incomplete or insufficient information;

4. If the Recipient has failed to perform and complete in timely fashion any of the services required under the Budget and Scope of Work attached hereto as Attachment A.

5. If the Recipient fails to comply with the requirements of statutory objectives of Federal laws or regulations.

(b) Upon the happening of an Event of Default; then the Department may, at its option, upon thirty (30) calendar days prior written notice to the Recipient and upon the Recipient's failure to timely cure, exercise any one or more of the following remedies, either concurrently or consecutively, and the pursuit of any one of the following remedies shall not preclude the Department from pursuing any other remedies contained herein or otherwise provided at law or in equity:

1. Terminate this Agreement, provided that the Recipient is given at least thirty (30) days prior written notice of such termination. The notice shall be effective when placed in the United States mail, first class mail, postage prepaid, by registered or certified mail-return receipt requested, to the address set forth in paragraph (10) herein;

2. Commence an appropriate legal or equitable action to enforce performance of this Agreement;

3. Withhold or suspend payment of all or any part of a request for payment;

4. Exercise any corrective or remedial actions, to include but not be limited to, requesting additional information from the Recipient to determine the reasons for or the extent of non-compliance or lack of performance, issuing a written warning to advise that more serious measures may be taken if the situation is not corrected, advising the Recipient to suspend, discontinue or refrain from incurring costs for any activities in question or requiring the Recipient to reimburse the Department for the amount of costs incurred for any items determined to be ineligible;

5. Exercise any other rights or remedies which may be otherwise available under law;

(c) The Department may terminate this Agreement for cause upon such written notice as is reasonable under the circumstances. Cause shall include, but not be limited to, misuse of funds; fraud; lack of compliance with applicable rules, laws and regulations; failure to perform in a timely manner; and refusal by the Recipient to permit public access to any document, paper, letter, or other material subject to disclosure under Chapter 119, Fla. Stat., as amended.

(d) In addition to any other remedies, the Recipient shall return to the Department any funds which were used for ineligible purposes under the program laws, rules, and regulations governing the use of the funds under the program.

(e) The Department may terminate this Agreement at any time if the Recipient refuses to fulfill any of its obligations under this Agreement. Prior to termination, the Department shall provide thirty (30) calendar days prior written notice of its intent to terminate pursuant to this provision and shall provide the Recipient an opportunity to consult with the Department regarding the reason(s) for termination.

(f) The Department may terminate this Agreement for its convenience by providing the Recipient with thirty (30) calendar days prior written notice.

(g) The parties may agree to terminate this Agreement for their mutual convenience as evidenced by written amendment of this Agreement. The amendment shall establish the effective date of the termination and the procedures for proper closeout of the Agreement.

(f) Notwithstanding the above, the Recipient shall not be relieved of liability to the Department by virtue of any breach of Agreement by the Recipient. The Department may, to the extent authorized by law, withhold any payments to the Recipient for purpose of set-off until such time as the exact amount of damages due the Department from the Recipient is determined.

Warranties And Representations Financial Management

Recipient's financial management system shall provide for the following:

- (1) Accurate, current and complete disclosure of the financial results of this federally-sponsored project or program in accordance with the reporting requirements set forth in Section ____52 of OMC Circular A-110.
- (2) Records that identify adequately the source and application of funds for all federally-sponsored activities. These records shall contain information pertaining to Federal awards, authorizations, obligations, unobligated balances, assets, outlays, income and interest.
- (3) Effective control over and accountability for all funds, property and other assets. Recipient shall adequately safeguard all such assets and assure that they are used solely for authorized purposes.
- (4) Comparison of outlays with budget amounts for each award. Whenever appropriate, financial information should be related to performance and unit cost data.
- (5) Written procedures to minimize the time elapsing between the transfer of funds to the Recipient from the U.S. Treasury and the issuance or redemption of checks, warrants or payments by other means for program purposes by the Recipient. To the extent that the provisions of the Cash Management Improvement Act (CMIA) (Pub. L. 101-453) govern, payment methods shall be consistent with CMIA Treasury-State Agreements or the CMIA default procedures codified at 31 CFR part 205, "Withdrawal of Cash from the Treasury for Advances under Federal Grant and Other Programs."
- (6) Written procedures for determining the reasonableness, allocability and allowability of costs in accordance with the provisions of the applicable Federal cost principles and the terms and conditions of the award.
- (7) Accounting records, including cost accounting records that are supported by source documentation.

Competition.

All procurement transactions shall be conducted in a manner to provide, to the maximum extent practical, open and free competition. The Recipient shall be alert to organizational conflicts of interest as well as noncompetitive practices among contractors that may restrict or eliminate competition or otherwise restrain trade. In order to ensure objective contractor performance and eliminate unfair competitive advantage, contractors that develop or draft specifications, requirements, statements of work, invitations for bids and/or requests for proposals shall be excluded from competing for such procurements. Awards shall be made to the bidder or offeror whose bid or offer is responsive to the solicitation and is most advantageous to the Recipient, price, quality and other factors considered. Solicitations shall clearly set forth all requirements that the bidder or offeror shall fulfill in order for the bid or offer to be evaluated by the Recipient. Any and all bids or offers may be rejected when it is in the Recipient's interest to do so.

Codes Of Conduct.

The Recipient shall maintain written standards of conduct governing the performance of its employees engaged in the award and administration of contracts. No employee, officer, or agent shall participate in the selection, award, or administration of a contract supported by Federal funds if a real or apparent conflict of interest would be involved. Such a conflict would arise when the employee, officer, or agent, any member of his or her immediate family, his or her partner, or an organization which employs or is about to employ any of the parties indicated herein, has a financial or other interest in the firm selected for an award. The officers, employees, and agents of the Recipient shall neither solicit nor accept gratuities, favors, or anything of monetary value from contractors, or parties to subagreements. However, Recipients may set standards for situations in which the financial interest is not substantial or the gift is an unsolicited item of nominal value. The standards of conduct shall provide for disciplinary actions to be

applied for violations of such standards by officers, employees, or agents of the Recipient.

Business Hours

The Recipient shall have its offices open for business, with the entrance door open to the public, and at least one employee on site, from at least 9:00 am to 5:00 pm, Monday through Friday.
