MOTION/RECOMMENDATION:

Approve to submit a grant application to the Florida Department of State, Division of Library and Information Services, for the Library Services and Technology Act Grant Program; and authorize the Acting County Manager to execute supporting documents.

[Dept Contact: Suzy Goldman (407) 665-1605]

BACKGROUND:

The Florida Department of State offers the Library Services and Technology Act (LSTA) Grant annually to ensure that Florida residents have access to library programs and services that support lifelong learning. This grant assists with providing library and information services to persons having difficulty using a library due to disabilities.

The Seminole County Public Library will be installing a Print Management/PC Reservation System for the patrons of the library. If awarded, the grant funds will be used to purchase six (6) OneStop Self-Service Stations. This unit provides patrons the opportunity to reserve a PC, print documents, check out materials, and pay fines.

The proposed application would request \$121,394 with a 1/3 match of \$60,697. It is anticipated for the match to be funded from the existing Library Services budget.
