MOTION/RECOMMENDATION:

Authorize scheduling and advertising a Public Hearing for the adoption of an Ordinance to create "Cub Cove Water & Wastewater Construction MSBU". A public hearing date/time of April 27, 2004 at 1:30 pm, to be advertised on April 8 and 15, 2004 is requested.

BACKGROUND:

Property owners have expressed their desire to enter into an MSBU for water and wastewater improvements on Cub Cove Road and Cub Lake Drive. The Petition for Improvement distributed on February 1, 2004, demonstrated a 100% support rate relative to the five properties subject to benefit from the improvements.

To service the Cub Cove Water & Wastewater MSBU a 6-inch water transmission line with service taps and a sewer system that includes individual residential pump facilities for each user and a force main collecting the discharge from each pump facility and conveying the wastewater to the County's facilities is proposed.

The proposed area is in Commission District 3.
