The Department may terminate the Agreement with a Recipient if reports are not received within 30 days after written notice by the Department. "Acceptable to the Department" means that the work product was completed in accordance with generally accepted principles and is consistent with the Budget and Scope of Work.

(e) Upon reasonable notice, the Recipient shall provide such additional program updates or information as may be required by the Department.

(f) The Recipient shall provide additional reports and information as identified in Attachments C and D.

(7) MONITORING.

The Recipient shall constantly monitor its performance under this Agreement to ensure that time schedules are being met, the Budget and Scope of Work are being accomplished within specified time periods, and other performance goals are being achieved. Such review shall be made for each function or activity set forth in Attachment B to this Agreement. In addition, the Department will monitor the performance and financial management by the Recipient throughout the contract term to ensure timely completion of all tasks.

In addition to reviews of audits conducted in accordance with OMB Circular A-133, as revised (see "AUDIT REQUIREMENTS" below), monitoring procedures may include, but not be limited to, on-site visits by Department staff, limited scope audits as defined by OMB Circular A-133, as revised, and/or other procedures. By entering into this Agreement, the Recipient agrees to comply and cooperate with any monitoring procedures/processes deemed appropriate by the Department. In the event that the Department determines that a limited scope audit of the Recipient is appropriate, the Recipient agrees to comply with any additional instructions provided by the Department to the Recipient

regarding such audit. The Recipient further agrees to comply and cooperate with any inspections, reviews, investigations or audits deemed necessary by the Comptroller or Auditor General. In addition, the Department will monitor the performance and financial management by the Contractor throughout the contract term to ensure timely completion of all tasks.

(8) LIABILITY.

(a) Unless Recipient is a State agency or subdivision, the Recipient shall be solely responsible to parties with whom it shall deal in carrying out the terms of this agreement, and shall save the Department harmless against all claims of whatever nature by third parties arising out of the performance of work under this agreement. For purposes of this agreement, Recipient agrees that it is not an employee or agent of the Department, but is an independent contractor.

(b) Any Recipient who is a state agency or subdivision, as defined in Section 768.28, Fla. Stat., agrees to be fully responsible to the extent provided by Section 768.28 Fla. Stat. for its negligent acts or omissions or tortious acts which result in claims or suits against the Department, and agrees to be liable for any damages proximately caused by said acts or omissions. Nothing herein is intended to serve as a waiver of sovereign immunity by any Recipient to which sovereign immunity applies. Nothing herein shall be construed as consent by a state agency or subdivision of the State of Florida to be sued by third parties in any matter arising out of any contract.

(9) DEFAULT; REMEDIES; TERMINATION.

(a) If the necessary funds are not available to fund this Agreement as a result of action by Congress, the state Legislature, the Office of the Comptroller or the Office of Management and Budgeting, or if any of the following events occur ("Events of Default"), all obligations on the part of the Department to make any further payment of funds hereunder shall, if the Department so elects, terminate and the Department may, at its option, exercise any of its remedies set forth herein, but the Department may make any payments or parts of payments after the happening of any Events of Default without thereby waiving the right to exercise such remedies, and without becoming liable to make any further payment:

1. If any warranty or representation made by the Recipient in this Agreement or any previous Agreement with the Department shall at any time be false or misleading in any respect, or if the Recipient shall fail to keep, observe or perform any of the terms or covenants contained in this Agreement or any previous agreement with the Department and has not cured such in timely fashion, or is unable or unwilling to meet its obligations thereunder;

2. If any material adverse change shall occur in the financial condition of the Recipient at any time during the term of this Agreement from the financial condition revealed in any reports filed or to be filed with the Department, and the Recipient fails to cure said material adverse change within thirty (30) days from the time the date written notice is sent by the Department;

3. If any reports required by this Agreement have not been submitted to the Department or have been submitted with incorrect, incomplete or insufficient information;

4. If the Recipient has failed to perform and complete in timely fashion any of the services required under the Budget and Scope of Work attached hereto as Attachment B.

(b) Upon the happening of an Event of Default, then the Department may, at its option, upon thirty (30) calendar days prior written notice to the Recipient and upon the Recipient's failure to timely cure, exercise any one or more of the following remedies, either concurrently or consecutively, and the pursuit of any one of the following remedies shall not preclude the Department from pursuing any other remedies contained herein or otherwise provided at law or in equity:

1. Terminate this Agreement, provided that the Recipient is given at least thirty (30) days prior written notice of such termination. The notice shall be effective when placed in the United States mail, first class mail, postage prepaid, by registered or certified mail-return receipt requested, to the address set forth in paragraph (10) herein;

2. Commence an appropriate legal or equitable action to enforce performance of this Agreement;

3. Withhold or suspend payment of all or any part of a request for payment;

4. Exercise any corrective or remedial actions, to include but not be limited to, requesting additional information from the Recipient to determine the reasons for or the extent of non-

compliance or lack of performance, issuing a written warning to advise that more serious measures may be taken if the situation is not corrected, advising the Recipient to suspend, discontinue or refrain from incurring costs for any activities in question or requiring the Recipient to reimburse the Department for the amount of costs incurred for any items determined to be ineligible;

5. Exercise any other rights or remedies which may be otherwise available under law;

(c) The Department may terminate this Agreement for cause upon such written notice as is reasonable under the circumstances. Cause shall include, but not be limited to, misuse of funds; fraud; lack of compliance with applicable rules, laws and regulations; failure to perform in a timely manner; and refusal by the Recipient to permit public access to any document, paper, letter, or other material subject to disclosure under Chapter 119, Fla. Stat., as amended.

(d) Suspension or termination constitutes final agency action under Chapter 120, Fla. Stat., as amended. Notification of suspension or termination shall include notice of administrative hearing rights and time frames.

(e) In addition to any other remedies, the Recipient shall return to the Department any funds which were used for ineligible purposes under the program laws, rules, and regulations governing the use of the funds under the program.

(f) This Agreement may be terminated by the written mutual consent of the parties.

(g) Notwithstanding the above, the Recipient shall not be relieved of liability to the Department by virtue of any breach of Agreement by the Recipient. The Department may, to the extent authorized by law, withhold any payments to the Recipient for purpose of set-off until such time as the exact amount of damages due the Department from the Recipient is determined.

(b) This Agreement shall be construed under the laws of the State of Florida, and venue for any actions arising out of this Agreement shall lie in Leon County. If any provision hereof is in conflict with any applicable statute or rule, or is otherwise unenforceable, then such provision shall be deemed null and void to the extent of such conflict, and shall be deemed severable, but shall not invalidate any other provision of this Agreement.

(d) The Agreement may be executed in any number of counterparts, any one of which may be taken as an original.

(e) The Recipient agrees to comply with the Americans With Disabilities Act (Public Law 101-336, 42 U.S.C.
