agent from the proceeds of this sale and paid to the proper authority on behalf of the OWNER.

(d) OWNER covenants that there are no real estate commissions due any licensed real estate broker and further agrees to defend against and pay any valid claims made in regard to this purchase relating to covenants made herein by the OWNER.

III. CONDITIONS

(a) COUNTY shall pay to the OWNER the sum as described in Item II., above, upon the proper execution and delivery of all the instruments required to complete the above purchase and sale to the designated closing agent. The OWNER agrees to close within seven (7) days of notice by the COUNTY or the COUNTY'S closing agent that a closing is ready to occur.

(b) OWNER agrees to vacate and surrender possession of the property upon the date of delivery of the instruments and closing of this Agreement. COUNTY may, but is not obligated to, extend possession of the property by OWNER; provided, however, that such approval will be evidenced by a written document of equal dignity herewith. During the period from the date of the execution of this Agreement by both parties and the closing, OWNER agrees to exercise diligent care in protecting the property from theft and vandalism. All windows, doors, bathroom fixtures, electrical outlets, heaters and other similar items included in the purchase price, as well as the land itself, shall be preserved in normal conditions and turned over to the COUNTY by the OWNER, intact, if applicable.

(c) Any and all encroachments existing upon the property, other than those improvements included in the purchase price, are to be removed by the OWNER at the expense of the OWNER prior to closing.

(d) OWNER warrants that there are no facts known to OWNER materially affecting the value of the property which are not readily observable by COUNTY or which have not been disclosed to COUNTY.

(e) OWNER represents and warrants that the property is not now being used and have not been used, by any business or other activity which uses or used toxic chemicals, hazardous substances (including hazardous wastes) or substances likely to infiltrate the soil or groundwater and is not now being used and has not been used in the past as a hazardous or toxic chemical storage facility or dumpsite. OWNER further represents and warrants that the property is not now being used and has not been used in the past as a garbage dump or landfill area.

(f) OWNER represents and warrants that the property is not in violation of any federal, state or local law, rule, ordinance or regulation relating to hazardous substances or hazardous wastes, or to environmental conditions on, under or about the property, including, but not limited to, soil and groundwater conditions, since OWNER took title.

(g) COUNTY shall have the right, prior to each closing, to come upon the Parcel at reasonable times with its employees, engineers and other personnel to inspect and conduct testing upon the property. If COUNTY determines that the Parcel contains any toxic waste or chemical contamination, or has been used as a hazardous waste or chemical storage facility or dumpsite or as a garbage dump or landfill site. COUNTY may elect to cancel this Purchase Agreement and have all sums paid hereunder returned to it. This Purchase Agreement is specifically made contingent upon the respective Parcel being free of contamination and as represented above.

(h) OWNER shall indemnify, reimburse, defend and hold harmless the COUNTY from and against all demands, claims, liabilities, fines, fees, losses or expenses (including attorney fees and costs, cleanup costs and fines) by reason of liability, including any strict or statutory liability, imposed upon COUNTY, arising out of or as a consequence of the use of the property by OWNER (or any prior owner(s) or operator(s)) as a hazardous waste or toxic chemical storage facility or dumpsite, or the use of the property by OWNER or any prior owner(s) or operator(s) as a garbage dump or landfill.

(i) The instrument(s) of conveyance to be utilized at closing shall, in addition to containing all other common law covenants through the use of a warranty deed, also include the covenant of further assurances.

(j) The OWNER shall fully comply with *Section 286.23, Florida Statutes*, to the extent that said statute is applicable.

(k) In the event that COUNTY subsequently abandons this project after execution of this Agreement, but before closing, this Agreement shall be null and void.

(l) In the event that difficulties arise as to clearing title sufficient to consummate a closing of this Purchase Agreement or difficulties occur in the issuance of a title insurance commitment which is acceptable to the COUNTY; this Agreement shall survive the filing of any eminent domain action by the COUNTY and shall serve as a joint stipulation regarding all valuation issues and fees and costs matters in any condemnation proceeding initiated by the COUNTY relating to the real property herein described. The OWNER agrees that, in accordance with any request made by the COUNTY, the OWNER shall execute any and all instruments, pleadings, documents and agreements upon litigation reflecting the full settlement as set forth herein. The OWNER agrees not to oppose the COUNTY'S condemnation proceedings in any way. The OWNER may, however, assert OWNER'S rights against other claimants in apportionment proceedings.

(m) The OWNER states that the OWNER has not engaged in any action that would create a conflict of interest in the performance of OWNER'S obligations under this Agreement with the COUNTY which would violate or cause others to violate the provisions of *Part III, Chapter 112, Florida Statutes*, relating to ethics in government.

IN WITNESS WHEREOF, the parties hereto have caused these presents to be executed in their respective names on the date first above written.
