- F. **Retirement/Emergency Dispatchers** - Sen. Alexander filed SB 1074 Companion Bill by Rep. Goldstein HB 693 which provides that emergency dispatchers and 911 operators employed by county or municipal law enforcement agency may participate as part of Special Risk Administrative Support Class and are eligible for special risk normal retirement date. Amends 121.0515.

The proposed amendment includes 911 Operators and Dispatchers in the Special Risk Category, but excluding other Public Safety 911 Operators and Dispatchers which creates an inequality in the system. It will negatively impact the County's efforts to maintain long term employees in the Emergency Communications Center, when they will be enticed to pursue employment with a law enforcement agency, and receive a better retirement rate. All qualifications being equal, it is recommended that the legislation include County and Municipal Public Safety (Fire and EMS) 911 Operators and Dispatchers. (Bill previously provided)
