*Seminole County v. Allen, et al*  
Case No. 2005-CA-2194-13-G

This Memorandum requests approval by the Board of County Commissioners (BCC) and execution by the Chairman of a Subordination of Utility Interests agreement with respect to the Easement and Distribution Easement interest of Florida Power Corporation d/b/a Progress Energy of Florida, Inc. "PEC", relating to Bunnell Road particularly Parcel No 151. The referenced parcel has been acquired by Order of Take.

The BCC adopted Resolution Nos. 2004-R-72 on April 13, 2004, 2005-R-124 on July 26, 2005, and 2005-R-163 on September 13, 2005, authorizing the acquisition of Parcel No. 151 and finding that the Bunnell Road improvement project is necessary and serves a public purpose and is in the best interests of the citizens of Seminole County.

PEC has signed and tendered a recordable instrument, entitled Subordination of Utility Interests for filing in the land records. Please see location map attached as Composite Exhibit A and a copy of the Subordination agreement attached as Composite Exhibit B.

PEC's interest in the referenced property includes an Easement for construction, operation and maintenance of overhead and underground electric utility facilities. PEC has agreed to provide the subordination of its easement interest without charge. This will also preclude PEC's involvement in the referenced case.
