MOTION/RECOMMENDATION: Approve and authorize the Chairman to execute modification #3 to the Flood Mitigation Assistance Agreement #03FM-52-06-69-01-088 between Seminole County and the Department of Community Affairs, Division of Emergency Management.

District 5; Commissioner Brenda Carey

BACKGROUND: The original agreement was approved and executed on October 28, 2003, and provided funding from the State of Florida Department of Community Affairs, Division of Emergency Management, to demolish a non-compliant structure and rebuild a new single family residence in compliance with County Flood Prone regulations and FEMA/NFIP requirements.

Due to the hurricanes this past year, this project has been delayed and the modification is required to extend the agreement to allow the project to be completed. The modified forms have been provided by the State to accomplish this task.
