MOTION/RECOMMENDATION:

This is a status update briefing in follow up to a request by the Board during the February 24, 2004, Commission meeting. No action is required at this time.

(Jim Beach, Presenter)

BACKGROUND:

The purpose of this briefing is to update the Board of County Commissioners (BCC) on:

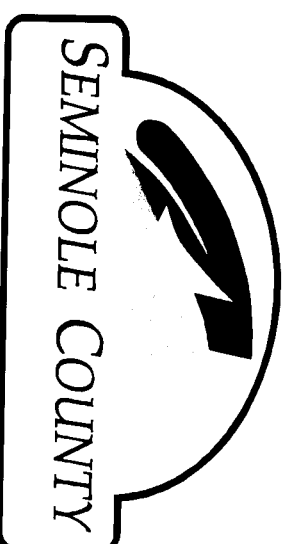

- Concluding the remaining roads approved to be addressed under the Unpaved Road Program;
- The Accepted County Road System upon completion of the Unpaved Road Program; and
- Opportunities to develop policy options to guide future surfacing strategies for that portion of the Accepted County Road System which will continue to be in an unpaved, emergency maintenance status.
