

## **REQUEST FOR PROPOSALS**

**19. Approve Amendment #1 to IFB-3069-03/JVP – Term Contract for the Purchase of Standard Utility Supplies (Price Increase due to Market Conditions).**

IFB-3069-03/JVP provides for the purchase of a variety of utility supplies. Amendment #1 will provide for an increase that reflects market price adjustments for Brass fittings, straps and clamps. Since February 2004, the contractor has experience an increase of 26% in utility supplies associated with Brass fittings, 17% increase in straps and 16% increase for clamps. Purchasing & Contracts staff reviewed the Contractor's justification for the increase and upon determining its validity; a survey of pricing information was conducted to make sure the price increase was fair and reasonable. The revised prices are contained in the backup and will be firm until 6/2/07.

Fiscal Services Department/Purchasing and Contracts Division recommends that the Board approve amendment as prepared and approved by the County Attorney's Office and authorize the County Manager to execute the amendment.
