I. THE PROVIDER AGREES:

A. To provide services according to the conditions specified in Attachment A.

B. Federal Laws and Regulations

1. If this contract contains federal funds, the Provider shall comply with the provisions of 45 C.F.R., Parts 74 and 76, and/or 45 C.F.R., Part 92, and other applicable regulations as specified in Attachment A.
2. If this contract contains federal funds and is over \$100,000, the Provider shall comply with all applicable standards, orders, or regulations issued under Section 306 of the Clean Air Act, as amended (42 U.S.C. 1857(h), et seq.), Section 508 of the Clean Water Act, as amended (33 U.S.C. 1368, et seq.), Executive Order 11738, and Environmental Protection Agency regulations (40 C.F.R., Part 15). The Provider shall report any violations of the above to the Department.

If a Disclosure of Lobbying Activities form, Standard Form LLL, is required, it may be obtained from the contract manager. All disclosure forms as required by the Certification Regarding Lobbying form must be completed and returned to the contract manager.

C. Audits and Records

1. To maintain books, records, and documents (including electronic storage media) in accordance with generally accepted accounting procedures and practices which sufficiently and properly reflect all revenues and expenditures of funds provided by the Department under this contract.
2. To assure that these records shall be subject at all reasonable times to inspection, review, or audit by state personnel and other personnel duly authorized by the Department, as well as by federal personnel.
3. To maintain and file with the Department such progress, fiscal and inventory reports as specified in Attachment A, and other reports as the Department may require within the period of this contract. Such reporting requirements must be reasonable given the scope and purpose of this contract.

5. If this contract contains federal funds, the CFDA number(s) is 93.563.

D. Retention of Records

1. To retain, at the Provider's expense, all client records, financial records, supporting documents, statistical records, and any other documents (including electronic storage media) pertinent to this contract for a period of five (5) years after termination of this contract, or if an audit has been initiated and audit findings have not been resolved at the end of five (5) years, the records shall be retained until resolution of the audit findings.

Following such inspection the Department will deliver to the Provider a written list of its comments with regard to the manner in which said goods or services are being provided. The Provider will rectify all noted deficiencies provided by the Department within the specified period of time set forth in the comments or provide the Department with a reasonable and acceptable justification for not correcting the noted shortcomings. The Provider's failure to correct or justify within a reasonable time as specified by the Department may result in the withholding of payments, being deemed in breach or default, or termination of this contract.**

F. Indemnification

If the Provider is a state agency or subdivision as defined in section 768.28, Florida Statutes, only No. 2 below is applicable. Other than state agencies or subdivisions refer only to No. 1.

1. The Provider agrees to be liable for all claims, suits, judgments, or damages, including court costs and attorney's fees, arising out of the negligent or intentional acts or omissions of the Provider, and its agents, subcontractors, and employees, in the course of the operation of this contract. Where the Provider and the Department allegedly commit joint negligent acts, the Provider shall not be liable for nor have any obligation to defend the Department with respect to that part of the joint negligent act allegedly committed by the Department. In no event shall the Provider be liable for or have any obligation to defend the Department against such claims, suits, judgments, or damages, including costs and attorney's fees, arising out of the sole negligent acts of the Department. The Provider agrees that it is an independent contractor and not an agent or employee of the Department.
2. Any Provider who is a state agency or subdivision, as defined in section 768.28, Florida Statutes, agrees to be fully responsible for its negligent acts or omissions or tortious acts which result in claims or suits against the Department, and agrees to be liable for any damages proximately caused by said acts or omissions. Nothing herein is intended to serve as a waiver of sovereign immunity by any Provider to which sovereign immunity applies. Nothing herein shall be construed as consent by a state agency or subdivision of the State of Florida to be sued by third parties in any matter arising out of any contract. The Provider agrees that it is an independent contractor and not an agent or employee of the Department.

G. Insurance

1. To provide adequate liability insurance coverage on a comprehensive basis and to hold such liability insurance at all times during the existence of this contract. The Provider accepts full responsibility for identifying and determining the type(s) and extent of liability insurance necessary to provide reasonable financial protection for the Provider and the clients to be served under this contract. Upon the execution of this contract, the Provider shall furnish the Department written verification supporting both the determination and existence of such insurance coverage. Such coverage may be provided by a self-insurance program established and operating under the laws of the State of Florida. The Department reserves the right to require additional insurance as specified in Attachment A where appropriate.

2. If the Provider is a state agency or subdivision as defined by section 768.28, Florida Statutes, the Provider shall furnish the Department, upon request, written verification of liability protection in accordance with section 768.28, Florida Statutes. I. Assignments and Subcontracts

1. To neither assign the responsibility of this contract to another party nor subcontract for any of the work contemplated under this contract without prior written approval of the Department. No such approval by the Department of any assignment or subcontract shall be deemed in any event or in any manner to provide for the incurrence of any obligation of the Department in addition to the total dollar amount agreed upon in this contract. All such assignments or subcontracts shall be subject to the conditions of this contract (except Section I, Paragraph L.1.) and to any conditions of approval that the Department shall deem necessary.
2. Unless otherwise stated in the contract between the Provider and subcontractor, payments made by the Provider to the subcontractor must be within seven (7) working days after receipt of full or partial payments from the Department in accordance with section 287.0585, Florida Statutes. Failure to pay within seven (7) working days will result in a penalty charged against the Provider and paid to the subcontractor in the amount of one-half of one (1) percent of the amount due, per day from the expiration of the period allowed herein for payment. Such penalty shall be in addition to actual payments owed and shall not exceed fifteen (15) percent of the outstanding balance due.

J. Financial Reports

To provide financial reports to the Department as specified in Attachment A..

K. Return of Funds

To return to the Department any overpayments due to unearned funds or funds disallowed pursuant to the terms of this contract that were disbursed to the Provider by the Department. The Provider shall return any overpayment to the Department within forty (40) calendar days after either discovery by the Provider, or notification by the Department, of the overpayment. In the event that the Provider or its independent auditor discovers an overpayment has been made, the Provider shall repay said overpayment within forty (40) calendar days without prior notification from the Department. In the event that the Department first discovers an overpayment has been made, the Department will notify the Provider by letter of such a finding. Should repayment not be made in a timely manner, the Department will charge interest of one (1) percent per month compounded on the outstanding balance after forty (40) calendar days after the date of notification or discovery.

13. The Provider further assures that all contractors, subcontractors, subgrantees, or others with whom it arranges to provide services or benefits to participants or employees in connection with any of its programs and activities are not discriminating against those participants or employees in violation of the above statutes, regulations, guidelines, and standards. 2. The Provider is not entitled to state retirement or leave benefits except where the Provider is a state agency.
3. Unless justified by the Provider and agreed to by the Department in Attachment A, the Department will not furnish services of support (e.g., office space, office supplies, telephone service, secretarial, or clerical support) normally available to career service employees.

P. Sponsorship

As required by section 286.25, Florida Statutes, if the Provider is a non-governmental organization which sponsors a program financed wholly or in part by state funds, including any funds obtained through this contract, it shall, in publicizing, advertising or describing the sponsorship of the program, state: "Sponsored by Provider and the State of Florida, Department of Revenue". If the sponsorship reference is in written material, the words "State of Florida, Department of Revenue" shall appear in the same size letters or type as the name of the organization.

Q. Final Invoice

The Provider must submit the final invoice for payment to the Department no more than 45 calendar days after the contract ends or is terminated; if the Provider fails to do so, without good cause, all right to payment is forfeited and the Department will not honor any requests submitted after the aforesaid time period. **Any payment due under the terms of this contract may be withheld until all reports, deliverables, and completed tasks due from the Provider and necessary adjustments thereto have been approved by the Department.**

R. Public Entity Crimes

A person or affiliate who has been placed on the convicted vendor list following a conviction for a public entity crime may not submit a bid on a contract to provide any goods or services to a public entity, may not submit a bid on a contract with a public entity for the construction or repair of a public building or public work, may not submit bids on leases of real property to a public entity, may not be awarded or perform work as a contractor, supplier, subcontractor, or consultant under a contract with any public entity, and may not transact business with any public entity in excess of the threshold amount provided in section 287.017, Florida Statutes, for Category Two for a period of 36 months from the date of being placed on the convicted vendor list.

In accordance with Section 287.134(2)(a), Florida Statutes (2000), an entity or affiliate who has been placed on the discriminatory vendor list may not submit a bid on a contract to provide any goods or services to a public entity, may not submit a bid on a contract with a public entity for the construction or repair of a public building or public work, may not submit bids on leases of real property to a public entity, may not be awarded or perform work as a contractor, supplier, subcontractor, or consultant under a contract with any public entity, and may not transact business with any public entity.

II. THE DEPARTMENT AGREES:**A. Contract Amount**

To pay for contracted services according to the conditions of Attachment A in an amount not to exceed \$104,882.73, subject to the availability of funds. The State of Florida's performance and obligation to pay under this contract is contingent upon an annual appropriation by the Legislature. The costs of services paid under any other contract or from any other source are not eligible for reimbursement under this contract.

B. Contract Payment

Pursuant to section 215.422, Florida Statutes, the voucher authorizing payment of an invoice submitted to the Department shall be filed with the State Comptroller not later than twenty (20) calendar days from the latter of the date a proper invoice is received or receipt, inspection and approval of the goods or services, except that in the case of a bona fide dispute the voucher shall contain a statement of the dispute and authorize payment only in the amount not disputed. The date on which an invoice is deemed received is the date on which a proper invoice is first received at the place designated by the Department. Invoices which have to be returned to a vendor because of vendor preparation errors will result in a delay in the payment. The invoice payment requirements do not start until a properly completed invoice, as defined in Chapter 3A-24, Florida Administrative Code, is provided to the Department. Approval and inspection of goods or services shall take no longer than five (5) working days. Such approval is for the purpose of authorizing payments and does not constitute a final approval of services purchased under this contract. A payment is deemed to be issued on the first working day that payment is available for delivery or mailing to the Provider. If a warrant in payment of an invoice is not issued within forty (40) calendar days, or thirty-five (35) calendar days for health care Providers as defined in Rule Chapter 3A-24, Florida Administrative Code, after the receipt of the invoice and receipt, inspection, and approval of the goods and services, the Department shall pay to the Provider, in addition to the amount of the invoice, interest at a rate as established pursuant to section 55.03(1), Florida Statutes, on the unpaid balance from the expiration of such forty (40) calendar day period, or thirty-five (35) calendar day period for health care Providers as defined in Rule Chapter 3A-24, Florida Administrative Code, until such time that the warrant is issued to the Provider. The temporary unavailability of funds to make a timely payment due for goods or services does not relieve the Department from this obligation to pay interest penalties. Operational Accounting can be contacted at (850) 488-5949 and the Purchasing Office can be contacted at (850) 488-5445.

C. Vendor Ombudsman

A Vendor Ombudsman has been established within the Department of Banking and Finance. The duties of this individual include acting as an advocate for vendors who may be experiencing problems in obtaining timely

payment(s) from a state agency. The Vendor Ombudsman may be contacted at (850) 410-9724 or by calling the State Comptroller's Hotline, 1-800-848-3792.

Said notice shall be delivered by certified mail, return receipt requested, or in person with proof of delivery. If applicable, the Department may employ the default provisions in Chapter 60A-1.006, Florida Administrative Code. Waiver of breach of any provisions of this contract shall not be deemed to be a waiver of any other breach and shall not be construed to be a modification of the terms of this contract. The provisions herein do not limit the Department's right to remedies at law or to damages.

D. Severability

If any provision herein or the application thereof is held invalid for any reason, such invalidity shall not affect the validity of other provisions or applications thereof, which can be given effect without the invalid provision or application. To this end, the provisions of this contract are declared to be severable.

E. Renegotiation or Modification

1. Modifications of provisions of this contract shall only be valid when they have been reduced to writing and duly signed. The parties agree to renegotiate this contract if federal and/or state revisions of any applicable laws, or regulations make changes in this contract necessary.
2. The rate of payment and the total dollar amount may be adjusted retroactively to reflect price level increases and changes in the rate of payment when these have been established through the appropriations process and subsequently identified in the Department's operating budget.

F. Copyright and Right to Data

Where activities supported by this contract produce writing, sound recordings, pictorial reproductions, drawing or other graphic representation and works of any similar nature, the Department has the right to use, duplicate and disclose such materials in whole or in part, in any manner, for any purpose whatsoever and to have others acting on behalf of the Department do so. This report shall accurately reflect 100% of the work time of each part time staff person who provides services under this contract. All staff persons for whom compensation is requested must be listed on a Summary Form each month. Those full time personnel who devote 100% of their work time to their contract will not be required to complete the Daily Time Report.
