**Re: Orlando Regional Healthcare System Request for Trauma Center Contributions**

Dear Kevin:

Please be advised that I represent Orlando Regional Healthcare System ("ORHS") with regard to the above. After having conferred with the Chairman and representatives of ORHS, we feel it would be in the best interest of all to continue the discussion of this matter from Tuesday's agenda to allow an opportunity for ORHS and the County to further communicate and work to see if there is a solution to this issue. To that end, I will be contacting you shortly to schedule follow-up meetings to those you have previously had in order to provide additional information to the County. The accommodation of this continuance will also allow for an opportunity to meet with each of the Commissioners to more fully apprise them of the issues and request their input.

On behalf of ORHS I look forward to working with you in this regard.

Very truly yours,

SHUTTS & BOWEN LLP
