

**SEMINOLE COUNTY GOVERNMENT
AGENDA MEMORANDUM**

SUBJECT: Aquatic Weed Control – Lake Mills Protection Association

DEPARTMENT: Library & Leisure Services **DIVISION:** Parks & Recreation

AUTHORIZED BY: *J. Suzy Goldman* **CONTACT:** J. Suzy Goldman **EXT:** 1600

Agenda Date: 7/13/04 **Regular** **Consent** **Work Session** **Briefing**
Public Hearing – 1:30 **Public Hearing – 7:00**

MOTION/RECOMMENDATION:

Approve payment of \$3,350.22 to the Lake Mills Protection Association, Inc. for 9% of direct costs related to aquatic weed control treatment applications completed in May 2004.

BACKGROUND:

The Lake Mills Protection Association, Inc. has requested that the County assist financially with a hydrilla control program as a property owner on Lake Mills. Lake Mills Park is located on the lake and encompasses 50 acres. Between March and May 2004, several treatments were applied to the lake.

Direct costs related to the treatments total \$37,224. This consists of \$37,000 for the treatments and \$224 for signage to notify residents not to use lake water for irrigation during specified time periods.

The recommended "fair share" determination for County participation in this project is based upon the percentage of shoreline owned by the County (9%). The shore frontage of the total lakefront is estimated at 14,561 feet. Lake Mills Park shore frontage is 1,263 feet, which is approximately 9% of the total.

\$1,000 is available in the Fiscal Year 2003/04 Parks & Recreation Division budget to fund the County's share of the project. This amount was specifically allocated for aquatic weed control at the park. The remaining \$2,350 is available in the Parks & Recreation operating supplies account line.
