**SUBJECT:** Board of County Commissioners Grant Approval Request

---

The Seminole County Sheriff's Office has tentatively been approved to receive funds from the Bureau of Justice Assistance (BJA) through the Law Enforcement Block Grant Program. This is the ninth year we have applied for funding and we are requesting the Board of County Commissioners to consider the approval for the submission of the Local Law Enforcement Block Grant application. As in previous applications, the application is only available electronically through the BJA web site.

The Sheriff's Office budget proposal for FY 2004/2005 includes the 10% minimum required matching funds for this \$59,607 grant. This grant will enable advanced technology to be acquired and other equipment enhancements directly related to basic law enforcement functions.

Once the grant application is approved by BJA and prior to receiving funds, a public hearing must be held by the Sheriff's Office, and a local advisory board is required to review and make non-binding recommendations.

It is respectfully requested the Local Law Enforcement Block Grant application item be placed on the agenda for the Board of County Commissioners meeting on Tuesday, July 13, 2004.

If you have any questions regarding this agenda item, please contact Chief Penny Fleming at 665-6617 or Rob Forlini at 665-6536.
