SUBJECT: Purchase Agreement Authorization
 Owner: Lowell L. Meyer
 Parcel Nos. 146
 Lake Drive Road Improvement Project

This memorandum requests authorization by the Board of County Commissioners (BCC) and execution by the Chairman of a purchase agreement for Parcel No. 146. The parcel is required for the Lake Drive road improvement project. The purchase price is \$210,000.00, inclusive of attorney fees and expert costs incurred by the property owner.

I THE PROPERTY

A. Location Data

The property is located on the north side of Lake Drive, approximately 167± feet east of Azalea Lake, in unincorporated Seminole County, Florida.

1. Location Map (Exhibit A);
2. Sketch (Exhibit B); and
3. Purchase Agreement (Exhibit C)

B. Address

1811 Lake Drive
 Casselberry, FL 32707

C. Description

The property contains 37,026 ± square feet, and is improved with a single family residence.

II AUTHORITY TO ACQUIRE

The BCC adopted Resolution No. 2002-R-70 on April 23, 2002, authorizing the acquisition of the referenced property, and finding that the construction of the Lake Drive road improvement project is necessary and serves a county and public purpose and is in the best interest of the citizens of Seminole County.

III ACQUISITION/REMAINDER

The proposed acquisition of Parcel No. 146 is 18,133 square feet. The acquisition, caused by the realignment of Azalea Avenue, encompasses the entire house, pool, and most other improvements, leaving the property owners with an 18,893 square foot vacant lot after the completion of the project.

IV APPRAISED VALUE

The County's appraised value amount, as of the date of value dated December 16, 2003, was \$159,250.00. The County's appraisal was prepared by Clayton, Roper & Marshall, P.A., and was approved by the County's MAI designated staff appraiser.

V BINDING OFFER/NEGOTIATIONS

On April 27, 2004, the BCC authorized a binding written offer in the amount of \$190,000.00. Thereafter, County staff negotiated this proposed inclusive settlement agreement with the property owner and his attorney in the amount of \$210,000.00.

VI SETTLEMENT ANALYSIS/COST AVOIDANCE

The County's staff appraiser felt that the higher binding written offer amount of approximately \$30,000.00 over the appraised value was justified due to the uniqueness of the subject property. The house is an octagon shape, which would be very difficult to duplicate, even if a contractor who would be willing to do so could be found. This house is in very good condition, with a swimming pool, and is situated on a lake on almost an acre of property. It will be difficult, if not impossible, for the property owner to find a comparable home, nor does he want to.

The property owner agreed to settle for the County's binding written offer amount of \$190,000.00, with additional fees and costs being paid. The amount

agreed to during settlement negotiations was \$210,000.00. Overall, this settlement proposal is reasonable.

VII RECOMMENDATION

County staff recommends that the BCC authorize settlement in the amount of \$210,000.00, inclusive of attorney's fees and expert's costs incurred.

WHEREAS, the COUNTY requires the hereinafter described property for a road project in Seminole County;

NOW, THEREFORE, for and in consideration of the mutual covenants and conditions herein contained, OWNER hereby agrees to sell and COUNTY hereby agrees to buy the following property upon the following terms and conditions:

I. LEGAL DESCRIPTION

See, attached Exhibit A

Parcel I. D. Number: 10-21-30-5BQ-0000-004A

II. PURCHASE PRICE

(a) OWNER agrees to sell and convey the above described property of the above referenced project by Warranty Deed, free of liens and encumbrances, unto COUNTY for the sum of TWO HUNDRED AND TEN THOUSAND DOLLARS (\$210,000.00). The above amount includes all compensation due as a result of this acquisition to the OWNER for any reason and for any account whatsoever.

(b) COUNTY shall be responsible for the following closing costs: recording fees for Warranty Deed and Title Insurance Policy issued to the COUNTY by a title insurance company of the COUNTY's choice.

(c) OWNER shall be responsible for OWNER's own attorney's fees, cost to prepare and all expenses to record instruments necessary to provide title unto COUNTY, free and clear of all liens and encumbrances, and OWNER's share of the pro-rata property taxes outstanding, up to and including the date of closing. The before mentioned closing

costs and pro-rata real estate taxes shall be withheld by the COUNTY's closing agent from the proceeds of this sale and paid to the proper authority on behalf of the OWNER.

(d) OWNER covenants that there are no real estate commissions due any licensed real estate broker and further agrees to defend against and pay any valid claims made in regard to this purchase relating to covenants made herein by the OWNER.

III. CONDITIONS

(a) COUNTY shall pay to the OWNER the sum as described in Item II., above, upon the proper execution and delivery of all the instruments required to complete the above purchase and sale to the designated closing agent. The OWNER agrees to close within seven (7) days of notice by the COUNTY or the COUNTY's closing agent that a closing is ready to occur.

(b) OWNER agrees to vacate and surrender possession of the property upon the date of delivery of the instruments and closing of this Agreement. COUNTY may, but is not obligated to, extend possession of the property by OWNER; provided, however, that such approval will be evidenced by a written document of equal dignity herewith. During the period from the date of the execution of this Agreement by both parties and the closing, OWNER agrees to exercise diligent care in protecting the property from theft and vandalism. All windows, doors, bathroom fixtures, electrical outlets, heaters and other similar items included in the purchase price, as well as the land itself, shall be preserved in normal conditions and turned over to the COUNTY by the OWNER, intact, if applicable.

(c) Any and all encroachments existing upon the property, other than those improvements included in the purchase price, are to be removed by the OWNER at the expense of the OWNER prior to closing.

(d) OWNER warrants that there are no facts known to OWNER materially affecting the value of the properties which are not readily observable by COUNTY or which have not been disclosed to COUNTY.

(e) The instrument(s) of conveyance to be utilized at closing shall, in addition to containing all other common law covenants through the use of a warranty deed, also include the covenant of further assurances.

(f) The OWNER shall fully comply with *Section 286.23, Florida Statutes*, to the extent that said statute is applicable.

(g) In the event that COUNTY subsequently abandons this project after execution of this Agreement, but before closing, this Agreement shall be null and void.

(h) In the event that difficulties arise as to clearing title sufficient to consummate a closing of this Purchase Agreement or difficulties occur in the issuance of a title insurance commitment which is acceptable to the COUNTY; this Agreement shall survive the filing of any eminent domain action by the COUNTY and shall serve as a joint stipulation regarding all valuation issues and fees and costs matters in any condemnation proceeding initiated by the COUNTY relating to the real property herein described. The OWNER agrees that, in accordance with any request made by the COUNTY, the OWNER shall execute any and all instruments, pleadings, documents and agreements upon litigation reflecting the full settlement as set forth herein. The OWNER agrees not to oppose the COUNTY's condemnation proceedings in any way. The OWNER, may however, assert OWNER's rights against other claimants in apportionment proceedings.

(i) As part of the consideration for this Purchase Agreement, OWNER hereby grants to COUNTY, its employees, agents, consulting engineers, contractors and other representatives the right to enter upon and to have exclusive possession of the property described in Exhibit A to this Agreement. The right of entry shall commence ninety (90) days after the execution of this Agreement by COUNTY, and shall continue until closing occurs, or if closing cannot occur, until the condemnation proceedings to acquire the property have been completed. Aside from this Agreement, no further notification of COUNTY's intent to enter the property is required. This right of entry is for the purpose of construction of the Lake Drive road improvement project and so that the COUNTY's construction schedule can be maintained notwithstanding issues which may delay closing in a timely manner. OWNER will not receive from COUNTY any additional compensation beyond that set forth in this Purchase Agreement during the period of time the COUNTY occupies the above described property for the purpose set forth above for the right to enter and possess the property before conveyance of title.

(j) The OWNER shall indemnify and save the COUNTY harmless from and against all liability, claims for damages, and suits for any injury to any person or persons, or damages to any property of any kind whatsoever arising out of or in any way connected with this Agreement or in any act or omission in any manner related to said Agreement.

(k) The COUNTY shall be solely responsible for all of COUNTY activities conducted on the property. OWNER shall not be considered an agent or employee of COUNTY for any reason whatsoever on account of the Agreement.

(l) The OWNER states that the OWNER has not engaged in any action that would create a conflict of interest in the performance of OWNER's obligations under this Agreement with the COUNTY which would violate or cause others to violate the provisions of *Part III, Chapter 112, Florida Statutes*, relating to ethics in government.

IN WITNESS WHEREOF, the parties hereto have caused these presents to be executed in their respective names on the date first above written.
