AGENDA MEMORANDUM

SUBJECT: Approval of the Ordinance revising Chapter 40 Part 2 Seminole County Code

DEPARTMENT: Planning & Development DIVISION: Building and Fire Inspection

AUTHORIZED BY: Don Fisher CONTACT: Tom Helle EXT. 7338

Agenda Date <u>07/25/06</u> Regular <input type="checkbox"/> Consent <input type="checkbox"/> Work Session <input type="checkbox"/> Briefing <input type="checkbox"/> Public Hearing – 1:30 <input checked="" type="checkbox"/> Public Hearing – 7:00 <input type="checkbox"/>

MOTION/RECOMMENDATION:

Approve and authorize the chairman to execute an ordinance amending Chapter 40 Part 2 Seminole County Code.

BACKGROUND:

Chapter 40, Part 2, established the six (6) individual Contractor Examiner Boards; Board of Building Contractor Examiners, Board of Electrical Examiners, Board of Examiners of Mechanical Contractors, Board of Examiners of Plumbers, Board of Examiners of Swimming Pool Contractors, and the Board of Well Drilling and Pump Installation or Repair Contractor Examiners.

The six boards were established in 1972 and met as needed to issue licenses and discipline licensed contractors. In 1992 Seminole County ceased issuing licenses hereafter limiting the capacity of the boards to only hear disciplinary cases. Hearings are scheduled only when there is a case.

The proposed Ordinance would eliminate the six (6) existing individual boards, and create one (1) board that would hear all disciplinary cases. The proposed board would be made up of six (6) licensed industry professionals, one (1) from each discipline that is currently represented by a board, and three (3) consumer members in accordance with Florida Statutes.

The amendments are proposed after a staff study revealed the following:

In the last 4 years only two (2) of the six (6) boards have been convened, the Building and Electrical Boards, meeting an average of twice a year, while the remaining four (4) have not been convened, thus making it difficult to find others to volunteer to serve on the boards.

The Honorable Carlton Henley
Chairman, Seminole County Commission
Seminole County Services Building
1101 E. First Street
Sanford, Fl 32771

Dear Chairman Henley:

It has been brought to the Association's attention that Seminole County is considering merging their six contractor examiner boards into a single board. It's been explained to us that the reason for the proposed merger is due to the infrequency of the meetings as well as the difficulty in finding the appropriate individuals to serve on each of the boards.

I understand the proposed makeup would be one industry professional from each of the six disciplines, plus three consumer members. This seems to be a fair representation. With this in mind, the HBA of Metro Orlando would like to express our support for the proposed merger of the six boards into one.

If you have any questions or need additional information, please feel free to have your assistant contact our Governmental Affairs Director, Rick McKee, at 407/629-9242 ext. 110.

Sincerely,

Charles B. Robertson
