MOTION/RECOMMENDATION:

Request authorization to advertise and schedule a public hearing to adopt a \$3 court cost in support of Teen Court and increase the civil traffic penalty for driver education programs from \$3 to \$5.

BACKGROUND:

Pursuant to Section 938.19 Florida Statutes, we are authorized to assess a \$3 mandatory court cost. This court assessment is designated to support the operation and administration of the teen court.

Section 318.1215 Florida Statutes, the Dori Slosberg Driver Education Safety Act, authorizes the assessment of an additional \$5 civil traffic penalty to fund driver education programs in public and non-public schools. This is an increase from the current assessment of \$3.

The requested hearing date is September 12, 2006 at 1:30 p.m.
