(District 1: Dallari)

BACKGROUND:

Caretaker residences have been established at four County Wilderness Areas as a means to deter vandalism and provide a higher level of visitor safety. Resident caretakers also benefit the Natural Lands Program by performing light maintenance such as mowing, litter removal and trail trimming.

Randy Garrett, the current caretaker at the Chuluota Wilderness area, has recently purchased an off-site private residence. Subsequent to interviews with four candidates, Michael Showalter is staff's recommendation to fill the vacancy at the Chuluota Wilderness Area.

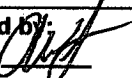

Length of term is annual, renewed automatically, unless terminated by either party.

Caretaker will pay a rent of \$250.00 per month.

STAFF RECOMMENDATION:

Staff recommends the Board approve the Caretaker Agreement with Michael Showalter for the Chuluota Wilderness Area.

From: Sergeant Dale Wagner

Subject: Recommendation of Seminole County Deputy Michael Showalter

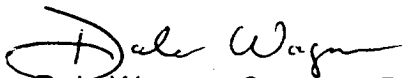

It has come to my attention that Deputy Michael Showalter has requested consideration to take part in your program to reside in a county owned housing project on Curryville Rd. in Chuluota.

As his supervisor I have complete confidence that Deputy Showalter is the person that would best suit this position. He receives evaluations that exceeds standards and is assigned to that area as a patrol deputy on my shift. He is well acquainted with the needs of the community in that area and it would greatly benefit this Office and the County if he were chosen as the resident agent.

Deputy Showalter is a dedicated member that would be cognizant of your needs and requests as well as enforcing any violations associated with the protection of county property. He has numerous above average training degrees and is an instructor for the Sheriff's Office. He is friendly and is well received by the public as one they can trust and look to for guidance.

It is without reservation that I recommend to you Deputy Showalter for your serious consideration.

Thank you for your time in considering my recommendation. I truly believe it would be beneficial for all parties.
