**MOTION/RECOMMENDATION:**

Approve and authorize Chairman to execute Agreement between the State of Florida Department of Community Affairs and Seminole County to receive a non-matching grant of \$102,959.00

**BACKGROUND:**

The Emergency Management Preparedness and Assistance Trust Fund (EMPA) provides a funding mechanism to assist local government in enhancing Emergency Management program capabilities. The EMPA Grant amount for Seminole County for the 03/04 fiscal year is \$102,959.00. This is a non-matching grant. The Trust Fund is administered by the Florida Division of Emergency Management, which has promulgated Rule 9G-19, F.A.C. addressing base grants to counties. Rule 9G-19 limits the use of these funds to Emergency Management program enhancements and prohibits their use in supplanting existing Emergency Management funding by the County. The EMPA Grant will be used to address specific enhancements in the Emergency Management program that are mitigative and response related, and also supports the Emergency Management Coordinator position 100%.

B. WHEREAS, the Department receives these grant funds from the State of Florida and the federal government, and has the authority to subgrant these funds to the Recipient upon the terms and conditions hereinafter set forth; and

C. WHEREAS, the Department is authorized, pursuant to Section 252.373, Florida Statutes, and Rule Chapter 9G-19, Florida Administrative Code, to disburse funds for emergency management grants to recipients.

NOW, THEREFORE, the Department and the Recipient do mutually agree as follows:

### (1) BUDGET AND SCOPE OF WORK

The Recipient shall fully perform the obligations in accordance with the Budget, Attachment A, and Scope of Work, Attachment B and B-1, of this Agreement.

### (2) INCORPORATION OF LAWS, RULES, REGULATIONS AND POLICIES

Both the Recipient and the Department shall be governed by applicable State and Federal laws, rules and regulations, including but not limited to those identified in Attachment C.

### (3) PERIOD OF AGREEMENT

This Agreement shall begin October 1, 2003 and shall end September 30, 2004, unless terminated earlier in accordance with the provisions of Paragraph (9) of this Agreement. All requests for reimbursement must be submitted within 30 days after the termination date of the Agreement. Any requests received after November 1, 2004, may, in the discretion of the Department, not be reimbursed from this Agreement. Reimbursement requests shall not be submitted by facsimile transmission.

(4) MODIFICATION OF CONTRACT; REPAYMENTS

Either party may request modification of the provisions of this Agreement. Changes which are mutually agreed upon shall be effective only when reduced to writing, duly signed by each of the parties hereto, and attached to the original of this Agreement. No change to the terms and conditions of this Agreement, including the Scope of Work, shall be effective until filed and approved in accordance with the provisions in Attachment B.

Changes to the amount of funding to be provided may be accomplished by notice from the Department to the Recipient, in the form of certified mail, return receipt requested. The Department may make an award of additional funds by subsequent Award Letter certified mail, return receipt requested, to the Recipient's contact identified in Paragraph (10), below. Should the Recipient determine it does not wish to accept the award of additional funds, then the Recipient shall provide notice to the Department contact within thirty (30) days of receipt of the Award Letter. Otherwise, the Recipient shall provide to the Department its written notice of acceptance within forty-five (45) days of receipt of the Award Letter. The terms of this Agreement shall be considered to have been modified to include the additional funds upon the Department's receipt of the written notice of acceptance and receipt of a budget form which details the proposed expenditure of the additional funds. The budget form will be provided by the Department when the offer of additional funds is made.

Notwithstanding the foregoing, any budget changes which do not increase the overall cost of the project or change the Scope of Work do not require a written modification to this Agreement.

All refunds or repayments to be made to the Department under this Agreement are to be made payable to the order of "Department of Community Affairs", and mailed directly to the Department at the following address:

(5) RECORDKEEPING

(a) As applicable, Recipient's performance under this Agreement shall be subject to the federal "Common Rule: Uniform Administrative Requirements for State and Local Governments" (53 Federal Register 8034) or OMB Circular No. A-110, "Grants and Agreements with Institutions of High Education, Hospitals, and Other Nonprofit Organizations," and either OMB Circular No. A-87, "Cost Principles for State and Local Governments," OMB Circular No. A-21, "Cost Principles for Educational Institutions," or OMB Circular No. A-122, "Cost Principles for Nonprofit Organizations." If this Agreement is made with a commercial (for-profit) organization on a cost-reimbursement basis, the Recipient shall be subject to Federal Acquisition Regulations 31.2 and 931.2.

(b) The Recipient shall retain sufficient records demonstrating its compliance with the terms of this Agreement for a period of five years from the date the audit report is issued, and shall allow the Department or its designee, Comptroller, or Auditor General access to such records upon request. The Recipient shall ensure that audit working papers are made available to the Department or its designee, Comptroller, or Auditor General upon request for a period of five years from the date the audit report is issued, unless extended in writing by the Department, with the following exceptions:

1. If any litigation, claim or audit is started before the expiration of the five year period and extends beyond the five year period, the records will be maintained until all litigation, claims or audit findings involving the records have been resolved.

2. Records for the disposition of non-expendable personal property valued at \$5,000 or more at the time of acquisition shall be retained for five years after final disposition.

3. Records relating to real property acquisition shall be retained for five years after closing of title.

(c) All records, including supporting documentation of all program costs, shall be sufficient to determine compliance with the requirements and objectives of the Budget, Attachment A and Scope of Work, Attachment B and B-1, and all other applicable laws and regulations.

(d) The Recipient, its employees or agents, including all subcontractors or consultants to be paid from funds provided under this Agreement, shall allow access to its records at reasonable times to the Department, its employees, and agents. ## (6) REPORTS

(a) At a minimum, the Recipient shall provide the Department with quarterly reports, and with a close-out report.

(b) Quarterly reports are due to be received by the Department no later than 30 days after the end of each quarter of the program year and shall continue to be submitted each quarter until submission of the administrative close-out report. The ending dates for each quarter of the program year are December 31, March 31, June 30 and September 30.

(c) The close-out report is due 45 days after termination of this Agreement.

(d) If all required reports and copies, prescribed above, are not sent to the Department or are not completed in a manner acceptable to the Department, the Department may withhold further payments until they are completed or may take such other action as set forth in paragraph (9). The Department may terminate the Agreement with a Recipient if reports are not received within 30 days after written notice by the Department. "Acceptable to the Department" means that the work product was completed in accordance with generally accepted principles and is consistent with the Budget and Scope of Work.

(e) Upon reasonable notice, the Recipient shall provide such additional program updates or information as may be required by the Department.

(f) The Recipient shall provide additional reports and information as identified in Attachment D.

(7) MONITORING

The Recipient shall constantly monitor its performance under this Agreement to ensure that time schedules are being met, the Budget and Scope of Work are being accomplished within specified time periods, and other performance goals are being achieved. Such review shall be made for each function or activity set forth in Attachment B and B-1 to this Agreement. In addition, the Department will monitor the performance and financial management by the Recipient throughout the contract term to ensure timely completion of all tasks.

In addition to reviews of audits conducted in accordance with OMB Circular A-133, as revised (see "AUDIT REQUIREMENTS" below), monitoring procedures may include, but not be limited to, on-site visits by Department staff, limited scope audits as defined by OMB Circular A-133, as revised, and/or other procedures. By entering into this Agreement, the Recipient agrees to comply and cooperate with any monitoring procedures/processes deemed appropriate by the Department. In the event that the Department determines that a limited scope audit of the Recipient is appropriate, the Recipient agrees to comply with any additional instructions provided by the Department to the Recipient regarding such audit. The Recipient further agrees to comply and cooperate with any inspections, reviews, investigations or audits deemed necessary by the Comptroller or Auditor General. In addition, the Department will monitor the performance and financial management by the Contractor throughout the contract term to ensure timely completion of all tasks.

(8) LIABILITY

(a) Unless Recipient is a State agency or subdivision, the Recipient shall be solely responsible to parties with whom it shall deal in carrying out the terms of this agreement, and shall save the Department harmless against all claims of whatever nature by third parties arising out of the performance of work under this agreement. For purposes of this agreement, Recipient agrees that it is not an employee or agent of the Department, but is an independent contractor.

(b) Any Recipient who is a state agency or subdivision, as defined in Section 768.28, Florida Statutes, agrees to be fully responsible to the extent provided by Section 768.28 Florida Statutes, for its negligent acts or omissions or tortious acts which result in claims or suits against the Department, and agrees to be liable for any damages proximately caused by said acts or omissions. Nothing herein is intended to serve as a waiver of sovereign immunity by any Recipient to which sovereign immunity applies. Nothing herein shall be construed as consent by a state agency or subdivision of the State of Florida to be sued by third parties in any matter arising out of any contract.

(9) DEFAULT; REMEDIES; TERMINATION

(a) If the necessary funds are not available to fund this Agreement as a result of action by Congress, the state Legislature, the Office of the Comptroller or the Office of Management and Budgeting, or if any of the following events occur ("Events of Default"), all obligations on the part of the Department to make any further payment of funds hereunder shall, if the Department so elects, terminate and the Department may, at its option, exercise any of its remedies set forth herein, but the Department may make any payments or parts of payments after the happening of any Events of Default without thereby waiving the right to exercise such remedies, and without becoming liable to make any further payment:

1. If any warranty or representation made by the Recipient in this Agreement or any previous Agreement with the Department shall at any time be false or misleading in any respect, or if the Recipient shall fail to keep, observe or perform any of the terms or covenants contained in this Agreement or any previous agreement with the Department and has not cured such in timely fashion, or is unable or unwilling to meet its obligations thereunder;

2. If any material adverse change shall occur in the financial condition of the Recipient at any time during the term of this Agreement from the financial condition revealed in any reports filed or to be filed with the Department, and the Recipient fails to cure said material adverse change within thirty (30) days from the time the date written notice is sent by the Department.

3. If any reports required by this Agreement have not been submitted to the Department or have been submitted with incorrect, incomplete or insufficient information;

4. If the Recipient has failed to perform and complete in timely fashion any of the services required under the Budget, Attachment A, and Scope of Work, Attachments B and B-1 attached hereto.

(b) Upon the happening of an Event of Default, then the Department may, at its option, upon thirty (30) calendar days prior written notice to the Recipient and upon the Recipient's failure to timely cure, exercise any one or more of the following remedies, either concurrently or consecutively, and the pursuit of any one of the following remedies shall not preclude the Department from pursuing any other remedies contained herein or otherwise provided at law or in equity:

1. Terminate this Agreement, provided that the Recipient is given at least thirty (30) days prior written notice of such termination. The notice shall be effective when placed in the United States mail, first class mail, postage prepaid, by registered or certified mail-return receipt requested, to the address set forth in Paragraph (10) herein;

2. Commence an appropriate legal or equitable action to enforce performance of this Agreement;

3. Withhold or suspend payment of all or any part of a request for payment;

4. Exercise any corrective or remedial actions, to include but not be limited to, requesting additional information from the Recipient to determine the reasons for or the extent of non-compliance or lack of performance, issuing a written warning to advise that more serious measures may be taken if the situation is not corrected, advising the Recipient to suspend, discontinue or refrain from incurring costs

for any activities in question or requiring the Recipient to reimburse the Department for the amount of costs incurred for any items determined to be ineligible;

5. Exercise any other rights or remedies which may be otherwise available under law;

(c) The Department may terminate this Agreement for cause upon such written notice as is reasonable under the circumstances. Cause shall include, but not be limited to, misuse of funds; fraud; lack of compliance with applicable rules, laws and regulations; failure to perform in a timely manner; and refusal by the Recipient to permit public access to any document, paper, letter, or other material subject to disclosure under Chapter 119, Florida Statutes, as amended.

(d) Suspension or termination constitutes final agency action under Chapter 120, Florida Statutes, as amended. Notification of suspension or termination shall include notice of administrative hearing rights and time frames.

(e) In addition to any other remedies, the Recipient shall return to the Department any funds which were used for ineligible purposes under the program laws, rules, and regulations governing the use of the funds under the program.

(f) This Agreement may be terminated by the written mutual consent of the parties.

(g) Notwithstanding the above, the Recipient shall not be relieved of liability to the Department by virtue of any breach of Agreement by the Recipient. The Department may, to the extent authorized by law, withhold any payments to the Recipient for purpose of set-off until such time as the exact amount of damages due the Department from the Recipient is determined.

(4) When any of Recipient’s projects funded under this Agreement may affect a historic property, as defined in 36 CFR 800.(2)(e), the Federal Emergency Management Agency (FEMA) may require Recipient to review the eligible scope of work in consultation with the State Historic Preservation Office (SHPO) and suggest methods of repair or construction that will conform with the recommended approaches set out in the **Secretary of Interior’s Standards for Rehabilitation and Guidelines for Rehabilitating Historic Buildings 1992 (Standards)**, the **Secretary of the Interior’s Guidelines for Archeological Documentation (Guidelines)** (48 Federal Register 44734-37), or any other applicable Secretary of Interior standards. If FEMA determines that the eligible scope of work will not conform with the **Standards**, Recipient agrees to participate in consultations to develop, and, after execution by all parties, to abide by, a written agreement that establishes mitigation and recordation measures, including but not limited to, impacts to archeological sites, and the salvage, storage, and reuse of any significant architectural features that may otherwise be demolished.

The SHPO will advise Recipient on any feasible steps to be accomplished to avoid any National Register eligible archeological property or will make recommendations for the development of a treatment plan for the recovery of archeological data from the property. If Recipient is unable to avoid the archeological property, develop, in consultation with the SHPO, a treatment plan consistent with the **Guidelines** and take into account the Advisory Council on Historic Preservation (Council) publication "Treatment of Archeological Properties." If either the Council or the SHPO object, Recipient shall not proceed with the project until the objection is resolved.

(6) Recipient shall notify the Department and FEMA as soon as practicable: (a) of any changes in the approved scope of work for a National Register eligible or listed property; (b) of all changes to a project that may result in a supplemental DSR or modify an HMGP project for a National Register eligible or listed property; (c) if it appears that a project funded under this Agreement will affect a previously unidentified property that may be eligible for inclusion in the National Register or affect a known historic property in an unanticipated manner. Recipient further acknowledges that FEMA may require Recipient to take all reasonable measures to avoid or minimize harm to such property until FEMA concludes consultation with the SHPO. Recipient also acknowledges that FEMA will require, and Recipient shall comply with, modifications to the project scope of work necessary to implement recommendations to address the project and the property.

(7) Recipient acknowledges that, unless FEMA specifically stipulates otherwise, it shall not receive funding for projects when, with intent to avoid the requirements of the PA or the NHPA, Recipient intentionally and significantly adversely affects a historic property, or having the legal power to prevent it, allowed such significant adverse affect to occur.
