

RESOLUTION

WHEREAS, First Baptist Sweetwater entered into a distinctive ministry partnership with Orangewood Christian Schools in January of 2006 to create a satellite campus at 3801 Wekiva Springs Road in Longwood, Florida; and

WHEREAS, we embarked on a renovation project to update our facilities to meet or exceed Seminole County Building Code in order to provide a safe and up-to-date facility for Christian education and relevant ministry in our community; and

WHEREAS, we were committed to utilizing the immense skills and talents of our Church members in order to embrace this ministry partnership and reduce the renovation costs for the project; and

WHEREAS, we had been warned about the challenges of renovation, design and submitting plans and proposals to the Seminole County officials, their staffs and those "feared fire breathing inspectors:

whose decision and rulings make a project like ours difficult to complete in such a short period of time, because of their demanding personalities and creative code interpretive skills."

NOW, THEREFORE, BE IT RESOLVED that those are rumors that are unfounded and untrue and that we stand ready to bear testimony to the same and that we will defend in the public arena because our experience was nothing short of quality and caring Seminole County employees whose professionalism and skill was to our advantage in providing a quality end product that will insure a safe, clean, and updated educational facility that will enhance the community life in our small section of this wonderful county.

BE IT FURTHER RESOLVED, that the cooperation and skilled guidance of Corrinne Fail, Dianne Eswine, and Commissioner Dick Van Der Weide are recognized and appreciated. We present this resolution adopted by our Deacons and Pastors on Tuesday, September 12, 2006 to these valued community servants whose interest is helping to make Seminole County Florida's natural choice for residential, commercial, and faith communities like First Baptist Sweetwater. We pledge our support for your work and thank you for assisting us in our effort to be the best stewards of resources entrusted to our ministry use. May God be glorified in all we do.

ADOPTED this 12th day of September, 2006.
