MOTION/RECOMMENDATION:

Request authorization to appropriate \$35,733 from the 17-92 Redevelopment Trust Fund to participate in the Tire City Inc. Redevelopment Project and authorize Chairman to execute attached CRA Economic Redevelopment Grant Agreement as recommended by the US 17-92 Redevelopment Planning Agency.

BACKGROUND:

The US 17-92 Redevelopment Planning Agency, at its August 27, 2004 meeting, recommended forwarding the attached CRA Economic Redevelopment Grant Agreement with Tire City Inc. to the US 17-92 Community Redevelopment Agency for approval.

The proposal presents an opportunity for the US 17-92 Community Redevelopment Agency to participate in and support the redevelopment of the vacant former municipal fire station located on US 17-92 just north of Lake Mary Blvd.

The City of Sanford has coordinated with a local businessman, John Sellers, in the development of this project proposal which targets the following physical improvements to the property:

- Complete and complimenting change to the overall architecture of the building
- Excavation of a very large septic system and connection to central sewer system
- Extensive landscaping and improved lighting
- Removal of the existing driveway to US 17-92
- Underground utilities

Benefits of the project to the redevelopment area include:

1. Converts a non taxable, government owned parcel into a privately owned taxable parcel.

2. Continued improvement of a historically blighted area which is located at the city's primary southern entrance.
3. Provides for a positive influence and increases the retail neighborhood's capacity while complimenting the existing retail centers (centers include many of the most well known national corporations combined with locally owned small businesses)
4. Redevelopment will allow all of the out parcels to be inter-connected by sidewalk and interior driveway which will allow the consumer to move between the retail centers on foot or by vehicle without having to enter and exit traffic along 17-92.
5. This is the first redevelopment of a property for an automotive use. The improved architecture, site layout, and efficiency of pedestrian and vehicular traffic will be able to serve as a model as to what is expected for other properties used for automotive purposes
6. Provides an example for implementation and adaptability of an existing structure as defined in the 17-92 CRA Aesthetic Design Guidelines.

The US 17-92 Community Redevelopment Agency can address several objectives and strategies outlined in the adopted US 17-92 Corridor Redevelopment Plan through their participation and financial support of this redevelopment project including:

- Encourage the reuse of those properties that, by virtue of their location, condition, or value, no longer function at their highest economic potential
 - Provide creative incentives to private sector participants in redevelopment projects and programs
 - Encourage partnerships among property owners and private and public sector groups in order to implement proposed redevelopment projects
- Prevent the future occurrence of blight
 - Eliminate conditions which decrease property values and reduce the tax base
 - Create or promote programs to foster development and rehabilitation of properties, including financial or other economic incentives, to facilitate new investment in the redevelopment district
- Maintain the diverse identifiable character of each city within the district while promoting economic vitality through private sector investment
 - Improve the investment image of the redevelopment area and use selected public actions to stimulate private investment
 - Develop land uses and patterns that create or otherwise complement and strengthen existing nodal activity centers along the corridor

The US 17-92 CRA Redevelopment Grant Agreement (attached) is a performance based agreement requiring the developer to attain specific project completion and investment thresholds prior to seeking the CRA grant funds. CRA funds can only be accessed by the developer on a reimbursement basis and only after specific project completion and investment thresholds are met for the project.

It is anticipated that the project will result in additional tax revenues of approximately \$8,000 per year, thereby returning the CRA investment within 5 years.

Funds are available in the adopted FY04/05 CRA budget within the CRA (Small Business Property Improvement Fund).

Either of the parties may change, by written notice as provided herein, the addresses or persons for receipt of notices or invoices. All notices shall be effective upon receipt.

SECTION 14. Indemnity and Insurance

(A) Each party to the Agreement is responsible for all personal injury and property damage attributable to the negligent acts or omissions of that party and the officers, employees, and agents thereof.

(B) To the extent allowed by law, each party to this Agreement shall indemnify, save and hold harmless the other party and all of its respective officers, agents, and

employees from and against all losses and all claims, demands, payments, suits, actions, recoveries, and judgments of every nature and description whatsoever, including claims for property damage and claims for injury to or death of persons brought or recovered against other party to this Agreement, by reason of any act or omission of the responsible party, its respective officers, agents, subcontractors, or employees, in the execution of the work relating to this Agreement.

(C) The parties further agree that nothing contained herein shall be construed or interpreted as denying to any party any remedy or defense available to such parties under the laws of the State Of Florida, nor as a waiver of sovereign immunity of the CRA beyond the waiver provided for in Section 768.28, Florida Statutes.

(D) The COMPANY shall provide necessary workers compensation coverage and unemployment compensation for its employees.

SECTION 15. Conflict of Interest

(A) The COMPANY agrees that it will not engage in any action that would create a conflict of interest in the performance of its obligations pursuant to this Agreement with the CRA or which would violate or cause others to violate the provisions of Part 111, Chapter 112, Florida Statutes, relating to ethics in government.

(B) The COMPANY hereby certifies that no officer, agent or employee of the CRA has any material interest (as defined in Section 1 12.3 12, Florida Statutes) either directly or indirectly, in the business of the COMPANY to be conducted here, and that no such person shall have any such interest at any time during the term of this Agreement.

(C) Pursuant to Section 216.347, Florida Statutes, the COMPANY hereby agrees that monies received from the CRA pursuant to this Agreement will not be used for the purpose of lobbying the Legislature or any other State or Federal Agency.

(D) The COMPANY agrees that it will comport all of its activities with the provisions of Chapter 760, Florida Statutes.

SECTION 16. Compliance with Laws and Regulations In performing under this Agreement, the parties shall abide by all laws, statutes, ordinances, rules, and regulations pertaining to, or regulating the performance set forth herein, including those now in effect and hereafter adopted. Any material violation of said laws, statutes, ordinances, rules or regulations shall constitute a material breach of this Agreement, and shall entitle the non-violating party to terminate this Agreement immediately upon delivery of written notice of termination to the violating party.

SECTION 17. Employee/Company Status

(A) Persons employed or retained by the COMPANY in the performance of services and functions pursuant to this Agreement shall have no claim to pension, workers' compensation, unemployment compensation, civil service or other employee rights or privileges granted to the CRA officers and employees, either by operation of law or by the CRA.

(B) The COMPANY assumes total responsibility for salaries, employment benefits, contractual rights and benefits, contract payments, federal, state and local employment

taxes if any attributable to the COMPANY personnel or contractors, and agrees to indemnify and hold the CRA harmless from any responsibility for same.

(C) In performing this Agreement, planning, developing, constructing, equipping, and operating the PROJECT or carrying out any of the activities to be carried out by the COMPANY, the COMPANY will be acting independently, in the capacity of an independent entity, and not as a joint venturer, partner, associate, employee, agent or representative of the CRA.

SECTION 18. No Third-Party Beneficiaries This Agreement is made for the sole benefit of the parties hereto and their respective successors and assigns, including any successor in interest to the COMPANY'S interest in the PROJECT, and is not intended to and shall not benefit any third party. No third party shall have any rights hereunder or as a result of this Agreement or any right to enforce any provisions of this Agreement.

SECTION 19. Contingent Fees/Conflicting Employment

(A) The COMPANY covenants that it has employed and retained only bona fide employees working for the COMPANY and attorneys and consultants, to solicit or secure this Agreement. The CRA warrants that it has not paid or agreed to pay any person, COMPANY, corporation, individual or from other than a bona fide employee working for the COMPANY, any fee, commission, percentage, gift or any other consideration, contingent upon or resulting from the award of making of this Agreement.

(B) The COMPANY agrees that at the time of execution of this Agreement it has no retainer or employment agreement, oral or written, with any third party relating to any matter which adversely affect any interest or position of the CRA. The COMPANY shall not accept during the terms of this Agreement any retainer or employment from a third party whose interest appear to be conflicting or inconsistent with those of the CRA.

SECTION 20. Governing Law/Attorneys' Fees This Agreement shall be construed and interpreted according to the laws of the State of Florida. In the event of litigation between the parties arising from or pertaining to this Agreement, the prevailing party shall be entitled to recover from the other, reasonable trial and appellate attorneys, fees and costs.

SECTION 21. Construction of Agreement This Agreement shall not be construed more strictly against one party than against the other merely by virtue of the fact that it may have been prepared by counsel for one of the parties. Its being recognized that both parties, the CRA and the COMPANY, have contributed substantially and materially to the preparation hereof.

SECTION 22. Constitutional and Statutory Limitation on Authority of the CRA
The terms and conditions of this Agreement placed upon the CRA are applicable only to the extent they are within and consistent with the constitutional and statutory limitations on the authority of the CRA. Specifically, the parties acknowledge that the CRA is without authority to grant or pledge a security interest in any of the CRA's revenue sources or property.

SECTION 23. Events of Default/Remedies

(A) For purposes of this Agreement, "Event of Default" shall mean any of the following:

- (1) The COMPANY shall misapply or cause the misapplication of CRA funds or credits received pursuant to this Agreement.

- (2) Any representation or warranty made by the COMPANY herein or in any statement, invoice or certificate furnished to the CRA in connection with the performance of the Agreement proves to be untrue in a material respect as of the date of issuance or making thereof and shall not be corrected or brought into compliance within thirty (30) days after written notice thereof to the COMPANY by the CRA.

- (3) The COMPANY shall materially breach any covenant contained in this Agreement and such breach shall not be corrected or cured within thirty (30) days after written notice thereof to the COMPANY by the CRA, provided however; that the CRA may declare a lesser time period in the event that it finds, in its sole and absolute discretion, that such lesser period is necessary to protect the public health, safety or welfare.

- (4) The COMPANY fails to provide to the CRA the written verification, satisfactory to the CRA, of its performance obligations herein.
- (5) The COMPANY fails to expend CRA Funds in accordance with this Agreement.
- (6) The COMPANY fails to satisfy the terms and conditions of EXHIBIT A.
- (7) If within forty-five (45) days after receiving written notice from the CRA that an Event of Default has occurred, the COMPANY shall refund such disbursed funds which the CRA determines have been misapplied under the terms of this Agreement, or, in the alternative, deposit such funds into the registry of the court, subject to determination of the CRA's entitlement thereto. The CRA may proceed to assert any and all legal or equitable remedies provided by law.

SECTION 24. Counterparts This Agreement may be executed in any number of counterparts each of which, when executed and delivered, shall be an original, but all counterparts shall together constitute one and the same instrument.

SECTION 25. Headings All sections and descriptive headings in this Agreement are inserted for convenience only, and shall not affect the construction or interpretation hereof.

SECTION 26. Time Time is of the essence of this Agreement.

SECTION 27. Severability If any provision, term or clause of this Agreement is determined to be invalid or unenforceable by a Court of competent jurisdiction, said determination shall not, in any way, effect the obligation of the parties as provided for or referred to herein and, to that end, the provisions of this Agreement shall be deemed severable. However, such invalidity or unenforceability shall preclude the continuing effect of this Agreement if a failure of consideration were to occur.

SECTION 28. Entire Agreement

(A) This Agreement constitutes the entire agreement of the parties with respect to the subject matter hereof, and may not be modified or amended except by a written instrument equal in dignity herewith and executed by the parties to be bound thereby.

(B) No waiver or consent to any departure from any term, condition or provision of this Agreement shall be effective or binding upon any party hereto unless such waiver or consent is in writing, signed by an authorized officer of the party giving the same and delivered to the other party.

(C) The COMPANY agrees that no representations have been made by the (CRA) in order to induce the COMPANY to enter into this Agreement other than as expressly stated in this Agreement.

IN WITNESS WHEREOF, the parties hereto have made and executed this Agreement for the purposes stated herein.

**REDEVELOPMENT PROPOSAL
AUGUST 2004**

FOR

US 17-92 REDEVELOPMENT PLANNING AGENCY

TIRE CITY INC.

BACKGROUND

Just north of the Lake Mary Boulevard and 17-92 intersection, Sanford's old #2 fire station has a new lease on life. The station proudly served the city for 50 years when her new replacement was built along Airport Boulevard just east of 17-92. When the Movie Land drive-in closed in the late 1990s, the large parcel (which is now the Lowe's store) and adjoining out parcels became a blighted area for many years. The site was "home" for many vagrants, drug deals, prostitution, and the occasional brush fire from the "camps". When Lowe's took control of the parcel, the city was still utilizing the fire station. Once the city moved out of the fire station, the old building was a definite eyesore for the area. Many offers to purchase the building never materialized due to the extensive rehabilitation needed and the coordination to work with one of the United States' top home improvement corporations. The primary problem was Lowe's ability to control nearly any redevelopment since on-site storm water retention was virtually impossible without the connection into their system.

In 2004, John Sellers, owner of Tire City in the Sanford Plaza, came to terms with the city to purchase the property and relocate his long running automotive service business to that location. However, due to the non-conforming nature of the property, total redevelopment became a significant challenge in order to integrate Tire City into the Lowe's and Albertson's plazas. After many months of coordination between Lowe's representatives and the city of Sanford, a common ground was found. Tire City agreed to be bound by the same covenants and restrictions that cover the current out parcels in front of Lowe's.

POISED FOR REDEVELOPMENT

Redevelopment of the site will eliminate many hardships that any future owner may incur with this property including setbacks, utilities, storm water, 17-92 curb cuts, and overall physical appearance. As shown in the elevation drawings, the physical appearance of the building is very similar to that of the Albertson's plaza. Thereby, giving the effect of the Albertson's plaza wrapping around the corner and then transitioning into the Lowe's properties.

Many of the physical changes to the property include but are not limited to:

1. A complete and complimenting change to the overall architecture of the building.
2. An immense excavation of a very large septic system which has been penetrated by roots from the pine trees to the north.
3. Extensive landscaping and improved lighting.
4. Removal of the existing driveway to 17-92.
5. Underground utilities.
6. Dumpster enclosure.

IMPROVING ECONOMICS

The redevelopment of this parcel will absolutely improve the economic vitality of the immediate area. After 50 years as a non-taxable property, the improved parcel will now be able to contribute to the ad valorem tax base of Seminole County and the city of Sanford. Tire City has been a successful, locally owned business for many years. Tire City also contributes to the sales tax revenue of the county. The facility provides a service that the driving public needs. Moreover, the redevelopment of this property is a complimentary asset to the surrounding retailers, as they will certainly be visited by those waiting for their vehicles to be completed.

ANTICIPATED AD VALOREM TAX REVENUE

The anticipated ad valorem tax revenue to Seminole County and the city of Sanford will be approximately \$8,000.00. Naturally, within the 17-92 CRA boundaries, this money will then be further used to help redevelopment of other parcels as well.

17-92 CRA GOALS, OBJECTIVES, AND BENEFITS OF THIS REDEVELOPMENT

1. Converts a non taxable, government owned parcel into a privately owned taxable parcel.
2. Continued improvement of a historically blighted area which is located at the city's primary southern entrance.
3. Provides for a positive influence and retail service while complimenting the existing retail centers.
4. Increases the retail neighborhood's capacity. The two centers include many of the most well known national corporations combined with locally owned small businesses.
5. Redevelopment will allow all of the out parcels to be inter-connected by sidewalk and interior driveway. This will allow the consumer to move between the two retail centers on foot or by vehicle without having to enter and exit traffic along 17-92.
6. This is the first redevelopment of a property for an automotive use. The improved architecture, site layout, and efficiency of pedestrian and vehicular traffic will be able to serve as a model as to what is expected for other properties used for automotive purposes.
7. Provides a great example for implementation and adaptability of an existing structure as defined in the 17-92 CRA Aesthetic Design Guidelines.

FINAL NARRATIVE

In conjunction with Tire City, the city of Sanford supports and embraces this project. Further, Tire City and the city of Sanford seek participation by the 17-92 Community Redevelopment Agency to partner with and support the redevelopment of this blighted property. The amount of the requested support from the CRA is \$35,733. These funds, in reimbursement form, will be used to offset the architectural renovations, lighting, landscaping, and additional site improvements as required by the 17-92 CRA, the city of Sanford, and the covenants and restriction of Lowe's. The funds are available within the small business improvement fund and should be dispersed upon the applicant receiving a certificate of occupancy. The project will generate approximately \$8,000.00 in ad valorem taxes each year with a return on investment to the CRA within five (5) years.
