THIS AGREEMENT is entered into on DECEMBER 23, 2003, the date the last party executes this Agreement, by and between the FLORIDA COMMUNITIES TRUST (FCT), a nonregulatory agency within the State of Florida Department of Community Affairs, and SEMINOLE COUNTY, local government of the State of Florida (Recipient). The intent of this Agreement is to impose terms and conditions on the use of the proceeds of certain bonds, hereinafter described, and the lands acquired with such proceeds (Project Site), that are necessary to ensure compliance with applicable Florida law and federal income tax law and to otherwise implement provisions of Sections 259.105, 259.1051, and Chapter 380, Part III, Florida Statutes (F.S.).

* * * * *

WHEREAS, the Recipient's project, described in an application submitted for evaluation, was selected for funding and in accordance with Rule Chapter 9K-7, F.A.C., and as more particularly described within this Agreement;

WHEREAS, Rule 9K-7.009(1), F.A.C., authorizes FCT to impose conditions for funding on those FCT applicants whose projects are selected for funding; and

WHEREAS, the purpose of this Agreement is to set forth the conditions that must be satisfied by Recipient prior to the disbursement of any FCT Florida Forever funds awarded, as well as the restrictions that are imposed on the Project Site subsequent to its acquisition with the Bond proceeds.

NOW THEREFORE, FCT and Recipient mutually agree as follows:

I. GENERAL CONDITIONS

1. At least two original copies of this Agreement shall be executed by the Recipient and returned to the FCT office at 2555 Shumard Oak Boulevard, Tallahassee, FL 32399-2100, as soon as possible and before **December 12, 2003**. If Recipient requires more than one original document, the Recipient should photocopy the number of additional copies needed, and then execute each as an original document. Upon receipt of the signed Agreements, FCT will execute the Agreements, retain one original copy and return all other copies that have been executed to the Recipient.

2. This Agreement between the parties sets forth the requirements and responsibilities for acquisition and management of the Project Site, described in the application that was submitted and selected for funding by FCT (Application). Since the entire Project Site has not yet been negotiated for acquisition, some elements of the project are not yet known, such as the purchase price, other project costs, and the terms upon which an owner will voluntarily convey the property.

3. Approval for funding shall be until **October 3, 2004**. In the event that the Project Plan described in Section V. below has not been approved by the Expiration Date, this Agreement shall be terminated. The FCT may extend this Agreement beyond the Expiration Date if the Recipient demonstrates that significant progress is being made toward Project Plan approval or that extenuating circumstances warrant an extension of time. A request for an extension must be made in writing to FCT, fully explaining the reason for the delay and why the extension is necessary. If the Recipient does not request an extension, or if an extension is not granted to the Recipient by the FCT, the Florida Forever award granted to the Recipient shall terminate and all obligations hereunder shall cease.

4. This Agreement may be terminated before its Expiration Date at the written request of the Recipient. Such a request shall fully describe the circumstances that compel the Recipient to terminate the project. A request for termination should be mailed to the FCT at the address given in paragraph 1 above.

5. This Agreement may be terminated before its Expiration Date by the FCT if it is determined by the FCT that no significant progress is being made toward the acquisition of the Project Site, non-performance by the Recipient of the requirements listed or that other circumstances are present that would, in all likelihood, preclude or prevent the successful acquisition of the Project Site within the established time frame. Prior to termination, notice of the proposed termination shall be mailed to the Recipient at the address given in paragraph 13 below.

6. Recipient agrees to submit the documentation to FCT that is required in this Agreement as soon as possible so that the Project Site may be acquired in an expeditious manner. Deadlines stated in this Agreement, as well as deadlines associated with any FCT activity relating to the project, are strictly enforced. Failure to adhere to deadlines may result in delays in the project, may result in allocation of time or resources to other recipients that responded timely, and may result in this Agreement being terminated by FCT.

It is the responsibility of the Recipient and its representatives to know all project deadlines, to devise a method of monitoring the project, and to adhere to all deadlines. If the Recipient is identified in paragraph III.1. below as the party responsible for all negotiation and acquisition activities, the Recipient shall provide a monthly status report to FCT of acquisition activities on the Project Site. The monthly report shall contain dates that appraisals are ordered and due, as well as dates that purchase agreements are sent to sellers and the status of each contract, as appropriate.

7. The FCT Florida Forever award granted to the Recipient will in no event exceed the lesser of Fifty Percent (50.00%) of the final total eligible project costs, as defined in Rule 9K-7.002(29), F.A.C., or Three Hundred Eighty Five Thousand Dollars And No Cents (\$385,000.00) unless the FCT approves a different amount, after determination of the Maximum Approved Purchase Price as provided in Rule 9K-8.007, F.A.C., and which shall be reflected in an addendum to this Agreement. The amount of the grant shall not exceed the Limitation of Award provided in Rule 9K-7.003(3), F.A.C., and as advertised in the Notice of Application.

8. The grant amount stated in paragraph 7 above is based on the Recipient's estimate of total project costs in its Application, as well as limits on awards in the notice of application period announcing the application cycle. When disbursing funds for the project, the FCT will recognize the actual total project costs, defined in Rule 9K-7.002(29), F.A.C., for acquisition of the Project Site. The total project costs will be reflected on a grant reconciliation statement prepared pursuant to paragraph 10 below. The FCT will participate in the land cost at either the actual purchase price, or the Maximum Approved Purchase Price based on appraisal reports that comply with requirements set forth in Rule 9K-8.007, F.A.C., whichever is less, and multiplied by the percent stated in paragraph 7 above.

Joint Acquisition-

9. The FCT Governing Board selected the Recipient's Application for funding to acquire the entire Project Site identified in its Application. The FCT reserves the right to withdraw or adjust the FCT award if the acreage that comprises the Project Site is reduced or the project design is changed so that the objectives of the acquisition cannot be achieved. Any request for modification of the boundary of the Project Site identified in the Application may be considered by the FCT following the procedures for submission and review of boundary modification requests set forth in Rule 9K-7.010, F.A.C.

If the Project Site is comprised of multiple parcels and multiple owners, an Acquisition Plan was required in the application. The FCT reserves the right to withdraw or adjust the FCT award if the priority parcel(s), or a significant portion of the Project Site identified in the Acquisition Plan, incorporated by reference herein and attached as Exhibit "A", cannot be acquired. Approval of this Agreement shall constitute approval of the Acquisition Plan by FCT.

10. The FCT funds shall be delivered either in the form of eligible project costs prepaid by FCT to vendors or in the form of a State of Florida warrant at the closing of the Project Site, payable to the Seller or the Seller's designated agent authorized by law to receive such payment, provided the Comptroller determines that such disbursement is consistent with good business practices and can be completed in a manner minimizing costs and risks to the State of Florida. If the Project Site is comprised of multiple parcels, FCT shall deliver at the closing of each parcel only the share of the FCT award that corresponds to the parcel being closed. FCT will prepare a grant reconciliation statement prior to the closing of the Project Site parcel that will evidence the amount of local match, if any is required, provided by the Recipient and the portion of the FCT award that corresponds to the parcel being closed. Funds expended by the FCT for eligible project costs incurred by the FCT will be recognized as part of the FCT grant award amount on the grant reconciliation statement.

11. The Recipient's local match, if any is required, shall be delivered either in the form of eligible project costs prepaid to vendors by the Recipient; eligible documented donation by Seller of land value; or Recipient's funds at the closing of the Project Site. If the Project Site is comprised of multiple parcels, the Recipient shall deliver at the closing of each parcel the share of the local match that corresponds to the parcel being closed. The cash expended by the Recipient for eligible project costs incurred by the Recipient conducting acquisition activities will be recognized as part of the local match, on the grant reconciliation statement prepared pursuant to paragraph 10 above. In the event that land value is the source of local match, if any is required, the value attributed to the land local match, shall be determined after an appraisal report that complies with the procedures and requirements set forth in Rule 9K-8.007, F.A.C. Such appraisal report shall be subject to review and approval by FCT prior to FCT funds being delivered for the project.

12. The FCT Governing Board selected applications for funding on October 2 - 3, 2003, at which time the Project Site became part of a list of lands that were approved for consideration for land acquisition. If action initiated by the Recipient that is the local government having jurisdiction over the Project Site, subsequent to October 2 - 3, 2003, results in a governmentally-derived higher value due to an enhanced highest and best use, the FCT

acquisition activities will be terminated unless the Seller agrees that the appraisal will be based on the highest and best use of the Project Site on or before October 2 - 3, 2003.

13. Recipient hereby notifies the FCT that the following administrator, officer, or employee is the authorized key contact, or project manager, on behalf of the Recipient for purposes of coordinating project activities for the duration of the project:

Name: Craig Shadrin
Title: Program Manager
Address: 1101 East First Street, Sanford, Florida 32771
Phone: 407-665-7343 Fax: 407-665-7367

All contact and correspondence from FCT and the Recipient will be through with the key contact. The Recipient must notify the FCT as to any change in the authorization of the key contact on behalf of the Recipient named above. This notification must be made in writing to the Executive Director and signed by the appropriate authorized administrator, officer, or employee named in paragraph III.6.d. below.

14. This Agreement may be amended at any time and must be set forth in a written instrument and agreed to by both the FCT and the Recipient. Such amendments shall become a part of this Agreement.

II. AUDIT REQUIREMENTS

Section 215.97, Florida Statutes, the Florida Single Audit Act, provides uniform state audit requirements for state financial assistance provided by state agencies over the audit threshold as defined in that Section as follows:

1. The Recipient agrees to maintain financial procedures and support documents, in accordance with generally accepted accounting principles, to account for the receipt and expenditure of funds under this Agreement.

2. These records shall be available at all reasonable times for inspection, review, or audit by state personnel and other personnel duly authorized by FCT. "Reasonable" shall be construed according to circumstances, but ordinarily shall mean normal business hours of 8:00 a.m. to 5:00 p.m., local time, Monday through Friday.

3. The Recipient shall also provide FCT with the records, reports or financial statements upon request for the purposes of auditing and monitoring the funds awarded under this Agreement.

In the event that the Recipient expends a total amount of State financial assistance from all state sources equal to or in excess of \$300,000 in any fiscal year of such Recipient, the Recipient must have a State single or project-specific audit for such fiscal year in accordance with Section 215.97, Florida Statutes; applicable rules of the Executive Office of the Governor and the Comptroller, and Chapter 10.550 and 10.650, Rules of the Auditor General.

Section I.7. above indicates State financial assistance through FCT by this Agreement. In determining the State financial assistance expended in its fiscal year, the Recipient shall consider all sources of State financial assistance, including State funds received from FCT, except that State financial assistance received by a nonstate entity for Federal program matching requirements shall be excluded from consideration. The funding for this Agreement was received by FCT as a grant appropriation.

- a. The annual financial audit report shall include all management letters and the Recipient's response to all findings, including corrective actions to be taken.
- b. The annual financial audit report shall include a schedule of financial assistance specifically identifying all Agreement and other revenue by sponsoring agency and Agreement number.

This includes submission of a reporting package as defined by Section 215.97(2)(d), Florida Statutes, and Chapter 10.550 and 10.650, Rules of the Auditor General.

- e. If the Recipient expends less than \$300,000 in State financial assistance in its fiscal year, an audit conducted in accordance with the provisions of Section 215.97, Florida Statutes, is not required. In the event that the Recipient expends less than \$300,000 in State financial assistance in its fiscal year and elects to have an audit conducted in accordance with the provisions of Section 215.97, Florida Statutes, the cost of the audit must be paid from non-State funds (i.e., the cost of such an audit must be paid from recipient funds obtained from other than State entities).

5. In the event the audit shows that the entire funds disbursed hereunder, or any portion thereof, were not spent in accordance with the conditions of this Agreement, the Recipient shall be held liable for reimbursement to FCT of all funds not spent in accordance with these applicable regulations and Agreement provisions within thirty (30) days after FCT has notified the Recipient of such non-compliance.

6. The Recipient shall retain all financial records, supporting documents, statistical records, and any other documents pertinent to this contract for a period of five years after the date of submission of the final expenditures report. However, if litigation or an audit has been initiated prior to the expiration of the five-year period, the records shall be retained until the litigation or audit findings have been resolved.

7. The Recipient shall have all audits completed in accordance with Section 215.97, Florida Statutes, by an independent certified public accountant (IPA) who shall either be a certified public accountant or a public accountant licensed under Chapter 473, Florida Statutes. VI. PROJECT SITE ACQUISITION REQUIREMENTS IMPOSED BY CHAPTER 259 AND CHAPTER 380, PART III, F.S.

RECIPIENT AGREES AS FOLLOWS:

1. FCT shall approve the terms under which the interest in land is acquired, pursuant to Section 380.510(3), F.S. Such approval is deemed given when the FCT approves and executes the purchase agreement for acquisition of the Project Site, further described in Section V.1.a. above, to which FCT is a party.

2. Title to the Project Site shall be titled in the Recipient, unless the Recipient specifically requests that title shall permanently vest in the Board of Trustees of the Internal Improvement Trust Fund (Trustees). Such request shall be subject to the approval of FCT and the Trustees. The Recipient hereby elects that title to the Project Site shall be vested in Seminole County Government [Note: Insert either the name of Recipient or Board of Trustees of Internal Improvement Trust Fund.] If the Recipient elects that title shall vest in the Trustees, then all acquisition activities shall be administered by the Division of State Lands as specified in Section 253.025, F.S., and Rule 18-1, F.A.C. Fund or another local government or nonprofit organization, upon failure to use the Project Site conveyed thereby for such purposes.

5. A Grant Award Agreement containing such covenants and restrictions as referenced in paragraph 4 above and describing the real property subject to the Agreement shall be executed by the FCT and Recipient at the time of the conveyance of the Project Site and shall be recorded in the county(s) in which the Project Site is located. The Grant Award Agreement shall restate the conditions that were placed on the Project Site at the time of project selection and initial grant approval. All statements contained in the Grant Award Agreement are contained in this Agreement, with the exception of statements that do not survive the real estate closing of the Project Site.

6. If any essential term or condition of the Grant Award Agreement is violated, and the Recipient does not correct the violation within 30 days of written notice of violation, title to all interest in the Project Site shall be conveyed to the Board of Trustees of the Internal Improvement Trust Fund. The deed transferring title to the Project Site to the Recipient shall set forth the executory interest of the Board of Trustees of the Internal Improvement Trust Fund.

7. The interest acquired by the Recipient in the Project Site shall not serve as security for any debt of the Recipient.

8. If the existence of the Recipient terminates for any reason, title to the Project Site shall be conveyed to the Board of Trustees of the Internal Improvement Trust Fund, unless FCT negotiates an agreement with another local government or nonprofit organization which agrees to accept title to all interest in and to manage the Project Site.

VII. OBLIGATIONS OF THE FCT RECIPIENT AS A CONDITION OF PROJECT FUNDING

1. Following the acquisition of the Project Site, the Recipient shall ensure that the future land use designation assigned to the Project Site is for a category dedicated to open space, conservation, or outdoor recreation uses as appropriate. If an amendment to the applicable comprehensive plan is required, the amendment shall be proposed at the next comprehensive plan amendment cycle available to the Recipient subsequent to the Project Site's acquisition.

2. Recipient shall ensure, and provide evidence thereof to FCT, that all activities under this Agreement comply with all applicable local, state, regional and federal laws and regulations, including zoning ordinances and the applicable adopted and approved comprehensive plan.

3. The Recipient shall, through its agents and employees, prevent the unauthorized use of the Project Site or any use thereof not in conformity with the Management Plan approved by the FCT as a part of the Project Plan.

4. FCT staff or its duly authorized representatives shall have the right at any time to inspect the Project Site and the operations of the Recipient at the Project Site.

5. All buildings, structures, improvements, and signs shall require the prior written approval of FCT as to purpose. Further, tree removal, other than non-native species, and major land alterations shall require the written approval of FCT. The approvals required from FCT shall not be unreasonably withheld by FCT upon sufficient demonstration that the proposed structures, buildings, improvements, signs, vegetation removal or land alterations will not adversely impact the natural resources of the Project Site. The approval by FCT of the Recipient's Management Plan addressing the items mentioned herein shall be considered written approval from FCT.

VIII. OBLIGATIONS OF THE RECIPIENT RELATING TO THE USE OF BOND PROCEEDS

1. FCT is authorized by Section 380.510, F.S., to impose conditions for funding on Recipient in order to ensure that the project complies with the requirements for the use of Florida Forever Bond proceeds including without limitation the provisions of the Internal Revenue Code and the regulations promulgated thereunder as the same pertain to tax exempt bonds.

2. Recipient agrees and acknowledges that the below listed transactions, events, and circumstances, collectively referred to as the "disallowable activities", may be disallowed on the Project Site, as they may have negative legal and tax consequences under Florida law and federal income tax law. - f. a management contract of the Project Site with any person or organization; or
- g. such other activity or interest as may be specified from time to time in writing by FCT to the Recipient.

3. If the Project Site, after its acquisition by the Recipient and/or the Trustees, is to remain subject to any of the "disallowable activities", the Recipient shall provide to FCT at least 60 calendar days advance written notice of any such transactions, events, and circumstances, and shall provide to FCT such information as FCT reasonably requests in order to evaluate the legal and tax consequences of such activity or interest for FCT approval.

4. In the event that FCT determines at any time that the Recipient is engaging or allowing others to engage in disallowable activities on the Project Site, the Recipient agrees to immediately cease or cause the cessation of the disallowable activity upon receipt of written notice from the FCT. In addition to all other rights and remedies at law or in equity, FCT shall have the right to seek temporary and permanent injunctions against Recipient for any disallowable activity on the Project Site.

DELEGATIONS AND CONTRACTUAL ARRANGEMENTS BETWEEN THE RECIPIENT AND OTHER GOVERNMENTAL BODIES, NONPROFIT ENTITIES, OR NON GOVERNMENTAL PERSONS FOR USE OR MANAGEMENT OF THE PROJECT SITE WILL IN NO WAY RELIEVE THE RECIPIENT OF THE RESPONSIBILITY TO ENSURE THAT THE CONDITIONS IMPOSED HEREIN ON THE PROJECT SITE AS A RESULT OF UTILIZING BOND PROCEEDS TO ACQUIRE THE PROJECT SITE ARE FULLY COMPLIED WITH BY THE CONTRACTING PARTY.
