**MOTION/RECOMMENDATION:**

Approve and authorize Chairman to execute Certificate of Public Convenience and Necessity for Photographic Waste Control, Inc. to provide collection services for Special Waste and operate a Special Waste Collection Services and Processing Facility as described on the Certificate.

**BACKGROUND:**

Chapter 235 of the Seminole County Code requires a company to obtain a Certificate of Public Convenience and Necessity from the Board of County Commissioners to provide waste collection services and operate disposal facilities in unincorporated Seminole County.

Photographic Waste Control, Inc. submitted an application to operate a facility on in unincorporated Longwood. Photographic's application indicated that the company intends to collect hazardous waste from local businesses then process the waste to remove any heavy metals from the waste stream then ship the residue for further processing.

Staff recommends issuance of a COPCN to Photographic Waste Control, Inc. under the following conditions:

- All material shall be processed and moved off site within a reasonable time on a first in – first out basis.
- The facility shall comply with all requirements of the Seminole County Land Development Code and all other applicable rules and regulations (per Seminole County Code Section 235.52(d)).
- The Facility shall be operated in accordance with applicable Florida Department of Environmental Protection standards, including required hazardous waste regulations.
- The Facility shall comply with all other Federal, State, and local requirements.
