**MOTION/RECOMMENDATION:** Approve the surplus of vehicles, and the donation of these vehicles to the City of Pass Christian Recovery Program, Inc., which is a 501-C3 non-profit organization that will make the donated vehicles available for recovery efforts in Harrison County, Mississippi.

**BACKGROUND:**

The following vehicles have been found to be at the end of their useful life. Serco, the fleet services contractor that provides repair and maintenance services to the County, has offered to donate the parts and labor required to put these vehicles back in to safe running condition. The donation will be on an "as is" basis that will end County liability at the transfer of ownership. Fleet Services is currently arranging for the donation of transport of these vehicles to Pass Christian, Mississippi.
