PURPOSE: The Pond/Fence Damage project was originally scheduled in FY 04/05 with reimbursement to be received for this project through FEMA. During FY 04/05, there were no expenditures or encumbrances on this project. It was determined that a new contract was necessary, which was awarded by the Board of County Commissioners on September 27, 2005. This Amendment establishes the project and corresponding revenue accounts in FY 05/06 so that work can be initiated.

ACTION: Approval and authorization for the Chairman to execute Budget Amendment Resolution.
