Agenda Date 11/09/04 **Regular** **Consent** **Work Session** **Briefing**
Public Hearing – 1:30 **Public Hearing – 7:00**

MOTION/RECOMMENDATION:

Authorization to schedule and advertise public hearings for the purpose of adopting the consolidated street lighting district ordinance and of adopting a resolution establishing Seminole County's intent to adopt the uniform method of collecting non-advalorem assessments. Request public hearing date of December 14, 2004.

BACKGROUND:

The Consolidated Street Lighting District ordinance is recodified each year to include newly created street lighting districts and to make any necessary changes to existing districts. A public hearing is required to adopt the ordinance, authorizing implementation of the new districts and any changes to existing districts effective October 1, 2005. Adoption of the new ordinance will recodify ordinance #2003-59 adopted December 9, 2003.

Pursuant to Section 197.3632, Florida Statutes, counties are required to advertise their intent to use the "Uniform" Method of collecting all Non Advalorem Assessments including, but not limited to, assessments for water service, road paving and drainage, sidewalks, street lighting, landscaping, maintenance, garbage/trash collection and disposal, and stormwater management. The local government is required to publish such notice in a paper of general circulation for four (4) consecutive weeks preceding a public hearing.
