Chapter 235 of the Seminole County Code authorizes the Board to regulate the collection and disposal of waste in the unincorporated county. The above companies have complied with the requirements as set forth in the Seminole County Code and have requested a Certificate of Public Convenience and Necessity (COPCN) from Seminole County to perform commercial collection services of waste in the unincorporated areas of Seminole County.

These firms have provided applications that indicate that they only provide Construction and Demolition (C&D) Debris collection services, Special Waste collection services, or Recyclables collection services. Firms that collect only C&D Debris, Special Wastes, or Recyclables are not required to obtain a non-exclusive commercial solid waste collection franchise. These firms are required to obtain COPCNs.
