

REQUEST FOR PROPOSALS

30. **Approve Amendment #1 to RFP-4217-04/JVP - Term Contract for Seminole County Bunker Gear, with Fisher Safety, Orlando (Price Increase) (Term Contract).**

RFP-4217-04/JVP provides for all bunker gear and protective clothing utilized by Seminole County Fire and Rescue personnel.

Amendment #1 will provide for price increases for four items due to the escalations in costs associated with manufacturer increases. A market research was limited due to the fact that Fisher Safety is the Central Florida only Morning Pride supplier and all Morning Pride suppliers are dealing with the same manufacturer price increases. The list of products and the proposed costs are included as part of the backup documents. The increase request ranges between 8% to 10% of the original prices.

Public Safety Fire Rescue and Fiscal Services/Purchasing and Contracts Division recommend the Board to approve and authorize the County Manager to execute the Amendment as approved and prepared by the County Attorney's Office.
