MOTION/RECOMMENDATION:

Approval by the Board of County Commissioners to contribute \$1,000 in Law Enforcement Trust Funds to the Center for Florida's Children.

BACKGROUND:

The Center for Florida's Children is a not for profit agency that for the past 25 years has been a strong advocate for issues affecting children. Among the many children's issues that the Center and its state-wide network of members support and work on are child abuse prevention, youth development and teen crisis services, and juvenile crime prevention all of which are in keeping with the mission of the Sheriff's Office. Therefore, the Sheriff's Office desires to contribute \$1,000 to the Center for Florida's Children in support of their efforts. This contribution will also result in the Sheriff's Office becoming a member of the Center's network.

These requests complies with Chapter 932.7055(4)(a), Florida State Statutes.
