MOTION/RECOMMENDATION: Approve and authorize Chairman to execute both Agreements between the U.S. Department of Agriculture/Natural Resources Conservation Service and Seminole County for projects associated with Hurricanes Charley and Frances.

COUNTY WIDE - (Mark E. Flomerfelt, P.E.)

BACKGROUND: As a result of Hurricanes Charley and Frances, several canals and streams were severely impacted. These canals and streams contain storm debris that restrict flow and/or have been substantially eroded, impacting homes and public infrastructure.

Staff prepared Damage Survey Reports (DSRs) for the impacted canals and streams within the County and submitted them to the U.S. Department of Agriculture/Natural Resources Conservation Service (USDA/NRCS) Emergency Watershed Protection Program for funding assistance. On September 22, 2004, USDA/NRCS approved \$443,032 for some of the submitted DSR's associated with Hurricane Charley.

The enclosed two (2) agreements with the USDA/NRCS provide a total of \$5,208,000 for debris clean-up and erosion control projects within canals and streams. The first agreement amends the previously approved agreement associated with Hurricane Charley to increase funding from \$443,032 to \$2,978,000. The second agreement provides \$2,230,000 for DSRs associated with Hurricane Frances.

Specifically, the agreements provide funding for erosion control projects in Howell Creek and the Lockhart-Smith Canal and for debris clean-up in Sweetwater Cove, Chuluota, North Lake Jesup-Midway, Geneva, Black Hammock, Lightwood Knot Canal, and Slavia/Bear Gully Canal.

Under the Emergency Watershed Protection Program, the sponsor, Seminole County, is required to provide a 25% match (\$1,736,000). A portion of this match, \$110,758, was established by the Board of County Commissioners (BCC) at the November 9, 2004, BCC meeting and the balance can be covered by reserves within the Stormwater Fund. The corresponding Budget Amendment Request (BAR) formally establishing the new project budgets including the necessary match, will be presented through Fiscal Services for approval.
