**COUNTY ATTORNEY'S OFFICE  
MEMORANDUM**

To: Carlton D. Henley, Chairman  
Board of County Commissioners

Through: Stephen P. Lee, Deputy County Attorney *[Signature]*

From: Lynn Vouis, Assistant County Attorney *[Signature]*  
Ext. 5736

Concur: Pam Hastings, Administrative Manager/Public Works Department *[Signature]*  
Kathleen Myer, Principal Engineer/Major Projects *[Signature]*

Date: November 30, 2004

Subject: Bunnell Road  
CSX Transportation, Inc.

This Memorandum requests that the Board of County Commissioners (BCC) approve and the Chairman execute a revised purchase agreement from CSX Transportation, Inc. (CSX), which will allow the County to acquire the property owned by CSX.

On July 27, 2004, the BCC approved the acquisition of 14.7 acres of property from CSX in order to improve Bunnell Road and expand the recreational trail system. The BCC approved the total sum of \$3,815,738.00 for the acquisition of the needed property. CSX is now proposing to modify the agreement.

The modification states that the County acknowledges that the property being conveyed might be contaminated since it has been used as railroad property. The property therefore might not be able to be converted to residential or any other use without extensive remediation. CSX also puts the County and any subsequent purchasers of the property on notice that it bears no responsibility for the condition of the property.

Basically, CSX is reiterating in these revisions that it is selling the property "as-is". The County had already agreed to accept the property in this condition. The impetus behind these additions, according to CSX, is recent litigation over contaminated property sold by CSX in Savannah, Georgia. Railroad property was routinely sprayed with arsenic and is assumed to be contaminated with this and probably many other substances. The County's Engineering Division is aware of the possibility of

contamination and does not believe it will significantly affect the County's construction plans for the corridor.

County staff recommends that the BCC approve and the Chairman execute the attached revised purchase agreement.

If written notice to terminate is not given by Buyer to Seller on or before the Contingency Date, the option to terminate and the contingencies shall be deemed waived and Buyer and Seller will proceed to Closing in accordance with the remaining terms of this Agreement, provided, however, that if the Closing has not occurred by December 31, 2005, through no fault of the Buyer, then Buyer may elect to terminate this Agreement.

If Seller does not accept Buyer's Offer by executing this Agreement, Seller shall reimburse Buyer for the cost of the survey, and Buyer shall thereupon assign all rights therein and copies thereof to Seller.

8.3 Buyer may elect not to secure a survey. In the absence of a survey, the Buyer shall furnish Seller with a description of the Premises, at Buyer's expense, in a form acceptable to Seller and the local deed recorder's office. Seller disclaims any responsibility for the accuracy of any description based on Exhibit "A" and railroad valuation maps.

9. **CLOSING:** Closing hereunder shall be held on or before March 31, 2005 at such time and place as Seller and Buyer shall mutually agree. If Buyer and Seller do not agree upon a time and place for Closing, Seller shall designate the time and place for Closing. The time and date for Closing may be extended only by Seller in writing, time expressly being of the essence in this Agreement.

10. **POSSESSION:** Buyer shall obtain possession of the Premises at Closing, subject to the limitations, terms and conditions of Section 6 of this Agreement, and such other leases, licenses, easements, occupancies or other limitations which are identified by Section 10.1, or which are discovered by Seller during the term of this Agreement (which may not necessarily be stated in the deed), unless canceled by Seller or otherwise terminated (whether by notice, expiration, nonrenewal or any other reason) prior to Closing.

10.1 Seller believes that the Premises are currently subject to the following leases, licenses, easements, occupancies and/or limitations (which may or may not be of record):

- (iii) Easements (None)
- (iv) Other Occupancies or Limitations (None)

During the term of this Agreement, Seller will research its archives for, and shall advise Buyer if Seller discovers, any additional leases, licenses, easements, occupancies and limitations affecting the Premises. As to items discovered as a consequence of such research, Seller may elect, in its sole discretion, to either cancel or otherwise terminate such items or, pursuant to Section 10.3, to assign or if such item is applicable to an area greater than the Premises, the Buyer shall be included as party at Closing.

10.2 Seller shall cancel or terminate, at or prior to Closing, the following items: None.

10.3 At Closing, Seller shall assign to Buyer, and Buyer shall assume, Seller's right, title and interest in all items identified by Section 10.1, or which are subsequently discovered by Seller, unless canceled or otherwise terminated, at or prior to Closing. However, if such item is applicable to an area greater than the Premises, the Buyer shall be included as party to a partial assignment of the item(s), which may be executed after Closing.

10.4 If, prior to Closing, all or any portion of the Premises is taken by eminent domain (or is the subject of a pending taking which has not yet been consummated), Seller shall notify Buyer of such fact promptly after obtaining knowledge thereof and either Buyer or Seller shall have the right to terminate this Agreement by giving notice to the other not later than ten (10) days after the giving of Seller's notice. If neither Seller nor Buyer elects to terminate this Agreement as aforesaid, there shall be no abatement of the Purchase Price and Seller shall assign to Buyer (without recourse) at the Closing the rights of Seller to the awards, if any, for the taking, and Buyer shall be entitled to receive and keep all awards for the taking of the Premises or such portion thereof.

## 11. ANNUAL TAXES; RENTS; LIENS; CHARGES:

11.1 All annual or periodic taxes or assessments on the Premises, both general and special, shall be prorated as of the Closing. Any proration shall be based on the taxes assessed against the Seller in the year of the delivery of possession to or entry by Buyer and shall allow the maximum discount permitted

by law. If current taxes assessed against the Seller are not available at the time of Closing, Buyer and Seller agree to prorate taxes based upon the latest tax information available to the parties and equitably adjust the proration when taxes for the year of entry or possession become available.

11.2 Any certified governmental assessments or liens for improvements on the Premises which are due and payable at the time of Closing shall be paid in full by Seller, and any pending liens or assessments for improvements not yet due and payable at Closing shall be thereafter paid in full by Buyer.

11.3 Any rents and license fees (individually in excess of \$500.00 prorated amount on annual rental) accruing to the Premises shall be prorated at Closing, with rents and fees prior to the date of Closing retained by Seller.

## **12. TAXES ON TRANSFER; CLOSING COSTS:**

12.1 Buyer shall pay all recording costs or fees or any similar expense in connection with this Agreement, the conveyance of the Premises or necessary to record the deed. Seller shall pay all transfer taxes and documentary stamps, as Buyer is legally exempt from such payment.

12.2 Buyer shall be solely responsible for and shall pay any reassessments or taxes generated by reclassification of the Premises resulting from conveyance of the Premises.

12.3 If any state or local governmental authority requires, presently or in the future, the payment of any sales, use or similar tax upon the sale, acquisition, use or disposition of any portion of the Premises, (whether under statute, regulation or rule), Buyer assumes all responsibility for and shall pay the same, directly to said authority, and, to the extent permitted by law, shall hold Seller harmless from such tax(es) and any interest or penalty thereon. Seller shall cooperate (at no expense to Seller) with Buyer in the prosecution of any claim for refund, rebate or abatement of said tax(es).

12.4 Seller shall pay the cost of recording any release of Seller's mortgage(s) or lien(s). In the event Buyer finances any portion of the Purchase Price (whether through third parties or from Seller), Buyer shall pay all costs thereof, including recordation, intangible taxes, etc.

## **13. BUYER'S RIGHT OF ENTRY, ENVIRONMENTAL AND OTHER INSPECTIONS:**

13.1 During the term of this Agreement, upon compliance with the terms of this Section 13, Buyer and/or its agents shall be permitted to have access to the Premises, subject to the rights of any tenant, licensee, utility or other third party occupying any portion of the Premises, in order to make surveys, make measurements, conduct environmental or engineering tests (including drilling and coring for preconstruction soil analysis), and to make such physical inspections and analyses thereof as Buyer shall deem necessary; PROVIDED, however, to the extent permitted by law, that Buyer hereby assumes all risks of such entry and agrees to defend, indemnify and save Seller harmless from and against any claim, cost or expense resulting from any damage to or destruction of any property (including the Premises or any improvements thereon) and any injury to or death of any person(s), arising from the acts or omissions of Buyer or its agents in the exercise of this right-of-entry. Buyer agrees to do no act which would encumber title to the Premises in exercising this right-of-entry. Any drilling and coring holes shall be filled upon completion of testing. All investigation-derived waste, including without limitation drilling waste, ground water and cuttings, shall be promptly handled, characterized and disposed of properly and in accordance with all local, State and Federal requirements, all at Buyer's sole cost.

13.2 Buyer acknowledges that Seller makes no guarantee, representation or warranty regarding the physical or environmental condition of the Premises, and Seller expressly disclaims any and all obligation and liability to Buyer regarding any defects which may exist with respect to the condition of the Premises.

13.3 Buyer shall give Seller ten (10) days prior written notice of any entry onto the Premises

under this Section 13. Together with such notice, Buyer shall provide Seller with a schedule and scope of work for each of the activities Buyer proposes to undertake during such entry. Seller reserves the right to monitor and approve all procedures in the conduct of any environmental assessments, tests, studies, measurements or analyses performed by or for Buyer in, on, to or with respect to the Premises. Buyer shall provide in any contract or bids for site assessment or environmental inspections of the Premises a "confidentiality clause", limiting disclosure of the results and any report only to Buyer (or to Seller, upon request). Buyer shall also keep Seller fully apprised of the progress of, and procedures followed with respect to, all such environmental work; and fully cooperate with all reasonable requests of Seller in undertaking and carrying out such work. Buyer shall prepare split samples (which may then be separately tested at Seller's sole option and cost) for delivery to Seller and shall deliver to Seller, at no cost to Seller, within five (5) days after receipt, copies of all results, assessments, reports and studies, whether of an environmental nature or otherwise, resulting from any tests or inspections conducted by Buyer pursuant to this Section 13 or otherwise in accordance with this Agreement. At or before Closing, Buyer shall provide Seller a reliance letter from Buyer's consultant, in form and substance reasonably acceptable to Seller, granting Seller the right to rely on the environmental data and reports generated as part of buyer's environmental due diligence, including without limitation, any Phase I and Phase II Environmental Site Assessment Reports. The reliance letter shall not impose any additional limitations or restrictions on Seller's reliance on said data and reports except as may be specified within the report documents themselves.

13.4 If environmental contamination of the Premises is revealed by the studies and tests conducted by Buyer pursuant to this Article 13, in an amount and/or concentration beyond the minimum acceptable levels established by current applicable governmental authorities, or, if Buyer is unwilling to accept the environmental condition of the Premises as a result of such tests or assessments, Seller's and Buyer's sole and exclusive remedy shall be to terminate this Agreement and refund the Deposit to the Buyer. Under no circumstances shall Seller be required to correct, remedy or cure any condition or environmental contamination of the Premises, which Buyer's tests and studies may reveal, as a condition to Closing or other performance hereunder.

13.5 If Buyer elects not to secure environmental tests or inspections, or if Buyer does not elect to terminate after receipt of test results, Buyer shall take the Premises "as is" at Closing, and hereby, to the extent permitted by law, assumes all risks associated with the environmental condition of the Premises, regardless of the cause or date of origin of such condition, and also hereby releases all rights or claims against Seller relating to such condition or for any costs of remediation or cure of any environmental condition.

13.6 Buyer, for itself and its successors, heirs, legal representative or assigns, to the extent permitted by law, shall indemnify, defend and hold harmless Seller, its present and future officers, directors, employees and successors, from and against any and all liabilities, penalties, fines, forfeitures, demands, claims, causes of action, suits, and costs and expenses incidental thereto (including cost of defense, settlement and reasonable attorneys' fees) which any or all of them may hereafter suffer, incur, be responsible for or pay out as a result of injury to any person or damage to any property (public or private), contamination of or adverse effects on the environment, or any violation or alleged violation of any statutes, ordinances, orders, rules or regulations of any governmental entity, department or agency, caused by or arising out of the physical or environmental condition of the Premises, including any requirement to undertake the remediation or cure of any physical or environmental condition, regardless of the cause or date of origin of such condition or by whom any such remediation or cure may be conducted or funded.

13.7 Buyer shall assume all risks associated with the physical or environmental condition of the Premises, regardless of the cause or date of origin of such condition. County covenants not to sue Seller, and releases all rights or claims against Seller, arising from or relating to any physical or environmental condition or for any costs of investigation or remediation or cure of any physical or environmental condition.

13.8 The provisions of this Article 13 shall survive Closing or termination of this Agreement.

**14. SUBDIVISION APPROVAL; ZONING:**

14.1 Any subdivision approval needed to complete the transaction herein contemplated shall be obtained by Buyer at Buyer's sole risk, cost, and expense. Seller shall cooperate with Buyer in obtaining said approval, to the extent necessary or required, but Buyer shall reimburse Seller for any and all charges, costs and expenses (including portions of salaries of employees of Seller assigned to such project) which Seller may incur in such cooperation.

14.2 Seller makes no guarantee or warranty that any subdivision approval will be granted and assumes no obligation or liability for any costs or expenses if same is not approved.

14.3 Costs and expenses shall include all fees, costs and expenses, including reasonable attorneys' fees, of obtaining subdivision plats, or filing same with the applicable governmental body(ies), or recordation thereof, including attorneys' fees, and all other related and/or associated items.

14.4 Seller makes no guarantee, warranty or representation as to the permissibility of any use(s) contemplated by Buyer under existing zoning of the Premises or as to any ability to secure any rezoning for Buyer's use.

**15. BROKER'S FEES:** The Buyer and the Seller each represent and warrant to the other that neither has introduced into this transaction any person, firm or corporation who is entitled to compensation for services as a broker, agent or finder. The Buyer and the Seller each agree, to the extent permitted by law, to indemnify the other against and hold the other harmless from any and all commissions, finder's fees, costs, expenses and other charges claimed by real estate brokers or sales persons by, through or under the indemnifying party. Seller shall be under no obligation to pay or be responsible for any broker's or finder's fees, commissions or charges in connection with handling this transaction, or Closing.

**16. ASSIGNMENT, LIMITS, SURVIVAL:**

16.1 This Agreement may not be assigned by Buyer without the prior written consent of Seller.

16.2 As limited above, this Agreement shall be binding upon the parties, their successors and permitted assigns, or upon their heirs, legal representatives and permitted assigns, as the case may be.

16.3 Any provision calling for obligations continuing after Closing or termination of this Agreement shall survive delivery of the deed and not be deemed merged into or replaced by any deed, whether or not the deed so states.

**17. DEFAULT:**

17.1 In the event of a default by Buyer under this Agreement (including, but not limited to payment of the Deposit within the time specified), Seller may elect to terminate this Agreement by delivery of notice to Buyer and to retain the Deposit and any other money paid by Buyer to or for the account of Seller, as agreed-upon liquidated damages in full settlement of any and all claims arising under or in any way related to this Agreement.

17.2 In the event of a default by Seller under this Agreement, Buyer's sole and exclusive remedy shall be to terminate this Agreement by delivery of notice to Seller and to receive an immediate return of the Deposit and reimbursement for any reasonable third-party expenses incurred by Buyer pursuant to this Agreement, not to exceed \$25,000, as agreed-upon liquidated damages in full settlement of any and all claims arising under or in any way related to this Agreement. Buyer irrevocably waives any and all right to pursue specific performance of this Agreement or any other legal or equitable remedy otherwise available to Buyer.

17.3 Upon the termination of this Agreement pursuant to this Article 17, Buyer and Seller shall be relieved of all obligations under Agreement, including the duty to close, other than (a) any liability for breach of any of the provisions of Section 13 shall remain as obligations of Buyer and (b) Buyer shall furnish Seller with a copy of all materials and information (including but not limited to any engineering reports, studies, maps, site characterizations and/or zoning related materials) developed by Buyer during the term of this Agreement relating to the potential use or the physical condition of the Premises.

17.4 "Default" shall include not only the failure to make prompt payment of any sums when due under this Agreement, but also the failure to fully and timely perform any other acts required of Buyer under this Agreement.

**18. NOTICES:**
