Past Performance

November 2, 2004

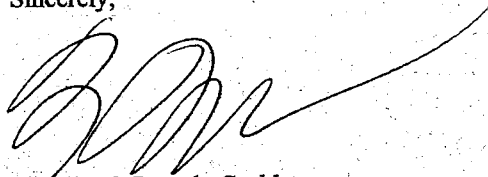

County Purchasing and Contracts Division
Seminole County
1101 E. 1st Street
Sanford, Florida 32771

Dear Sir or Madam:

The contract that we currently have with the County is the only concession that we have. The only experience that we can give is from the comments made by current customers of our business. We have had many compliments and positive comments from not only the regular players that we see on a daily basis, but from the out of town players and spectators that travel to the complex. I believe that we can not only operate Lake Sylvan Park, but operate it as well as the other concession at Seminole County Softball Complex. We will operate this park with a concession trailer that has the capability of serving drinks, chips, and will be able to sell hot dogs and burgers. We will be able to expand our menu as we proceed.

Sincerely,

Timothy & Pamela Grubbs

Technical Plan – Sylvan Lake Park

A.

Our normal work routine is to arrive at the park between 40 minutes to 1 hour before games begin, prepare food, get the stand ready for business and take care of any last minute items that need to be finished. During the course of the season, we usually know after the 1st or 2nd week how many people it takes to run the stand on a daily basis. We both, Pam and I, are there for these weeks, and then adjust our schedule accordingly after this time frame.

We also have backup employees in the event that one or both of us cannot be at the park.

During the time at the park, besides serving customers, we check for items that need to be replenished and also items to be ordered from outside vendors, such as Pepsi. or Coca Cola.

P T Enterprises

Technical Plan – Sylvan Lake Park

B.

We have demonstrated over the past 2 years that we been able to service all events that have asked for our services. We have been attentive to the needs of the customers, and also to the needs of the people running the tournaments.

Our payments are made to the county either by mail or delivered in person to the office on West County Home Road.

We do no advertising except for the beverages that we sell, and this is done with the banners being on the inside of the concession stand.

We only grill on the outside with an electric grill, as we are not allowed to grill with a gas grill, as per the state.

All of our employees have either been known by ourselves or are family, and are expected to maintain themselves in a professional manner, not only in service, but in personal hygiene.

We take pride in the fact that we keep the concession stand very clean and neat, and our food inspection reports indicate this fact.

We only purchase food from vendors that carry quality products, and on occasion have discontinued items that were not of good quality.

We clean not only the inside of the stand, but also sweep the front of the building, and hose around the area when it is dirty.

Our goal is to provide fast, friendly service with good products.

P T Enterprises

Technical Plan- Sylvan Lake Park

C.

We are able to provide the service and food that is required by giving good customer service, good food, staying in communications with the complex, and maintaining good relationships with the customers and employees at the park. We are open to any suggestions that customers have, and have added different menu items for customers as they ask for them, and keep them if they are in high demand.

We have also purchased items that people have asked for when we have specific tournaments. We do our best to cater to the customers needs.
