

41. Approve Amendment #2 to IFB-3049-02/GMG – Modify Compensation Clause for Roadway Markings and Striping Services Agreement, to Fausnight Stripe & Line, Inc., Longwood (Term Contract).

IFB-3049-02/GMG provides for all necessary labor, materials, equipment and incidentals required for the roadway markings and striping services for Seminole County Traffic Engineering.

Amendment #2 will modify the compensation clause to allow the county to replace the not-to-exceed amount of the contract with the annual budgeted dollar value for those services.

Authorization for performance of services by the Contractor under this agreement shall be in the form of written Purchase Orders issued and executed by the County on an as-needed basis as long as the cumulative amount of the Purchase Orders does not exceed budgetary constraints.

Public Works/Traffic Engineering Division and Fiscal Services/Purchasing and Contracts Division recommend the Board to approve the amendment and authorize the Chairman to execute the proper documentation as approved and prepared by the County Attorney's Office.
