MOTION/RECOMMENDATION:

Approval and authorization for the Chairman to execute a resolution adopting the Uniform Method of Collection for Non-Ad Valorem assessments.

BACKGROUND:

Municipal Service Benefit Units (MSBUs) are or can be established in accordance with Section 125.01 (q), Florida Statutes, within unincorporated Seminole County to provide improvements such as water service/reclaimed water, sewage, road paving and drainage, sidewalks, aquatic weed control, street lighting, mandatory collection, recycling and disposal of solid waste and stormwater management through surface water quantity and quality control. The improvements made through the MSBUs are financed through non-ad valorem assessments placed on the properties in the districts.

Section 197.3632, Florida Statutes, provides for the collection of non-ad valorem assessments through the uniform method. This method allows collection of the assessments in the same manner as provided for ad valorem taxes. The election of this method of collection requires the adoption of a resolution stating same at a public hearing prior to March 1, 2006, for the assessments to appear on the November 2006 tax bills. Agreements were executed in November 1989 and revised in 1998 with the Property Appraiser and Tax Collector to provide reimbursement of the necessary administrative costs incurred. These agreements automatically renew each fiscal year. The County advertised its intent to use this method of collection for four (4) consecutive weeks prior to the public hearing as required by Section 197.3632, Florida Statutes.

Legal descriptions of such areas subject to the assessments are attached hereto as Exhibit B and incorporated herein by reference.

2. The County hereby determines that the levies of the assessments are needed to fund the cost of the water, reclaimed water, sewage, road paving and drainage, sidewalks, neighborhood walls, aquatic weed control, street lighting, collection, recycling and disposal of solid waste and stormwater management through surface water control within unincorporated Seminole County.

3. Upon adoption, the Department of Fiscal Services is hereby directed to send a copy of this Resolution by United States mail to the Florida Department of Revenue, the Seminole County Tax Collector, and the Seminole County Property Appraiser by January 10, 2006, however extensions may be granted by the Board of County Commissioners for filing up to March 10, 2006.
