U.S. 17-92 CRA Manager
Economic Development Office
1101 East First Street
Sanford, Florida 32771

Dear Ms. Nordelo:

The Seminole Cultural Arts Council (SCAC) is proposing a beautification program along the U.S. Hwy. 17-92 CRA Corridor whereby traffic signal boxes in that area will be wrapped with art by Seminole County artists and students.

The art will reflect Seminole County's parks, attractions or areas of significance, and highlight our historic preservation, cultural diversity, transportation, agricultural heritage and unique environment.

Phase I: a Call to Artists, creation of a selection committee, project design, and installation of 18 of the total 36 signal boxes as shown on the 17-92 CRA map.

Phase II: art for the last 18 signal boxes and the beginning of a maintenance schedule.

Phase III: an additional 5 years of maintenance.

We are requesting funds from the CRA over a 3-year period as indicated below:

Phase I (FY 2013-14) - $28,000

Phase II (FY 2014-15) - $25,000

Phase III (2015-16) - $7,000

Please refer to the examples we previously emailed to you of the signal box art produced in the City of Orlando and along the International Drive corridor. If you have any questions, please contact us. Thank you for your consideration.

Lisa,
I got the letter request for the funds to do the art on traffic boxes.

I need a little more information to be able to advance the request. Please provide the following.

1. I need some evidence that the traffic engineering folks are okay with this –...I understand you were going to speak to Charlie. Maybe an email from him?
2. I need examples/photos of boxes that have done in the past. I have some examples of ones you would like to address. But the application says I got examples via email....I don't see that email in my archives.
3. I would like the option of using the art to feature local businesses of and we need to ensure all art includes credits for the CRA funding. I just want to make sure everyone is aware and okay with that.
4. How do we plan to conduct the review/selection of the approved art? The letter does not really specify.
