August 8, 2006

To: PROSPECTIVE PROPOSERS AND ALL OTHERS CONCERNED

From: Bill Johnson, Contracts Analyst

Subject: BD-1137-06/BHJ – Kiosk and Sign Replacement for Seminole County Natural Lands

Due Date: August 16, 2006 @ 2:00 PM

ADDENDUM #3

Total pages: 2

The information included in this Addendum revises, clarifies, or supplements the specifications and other provisions of the contract documents and is considered part and parcel to the RFP/BID Package.

Questions received from Sundog Design, Inc. for BD-1137-06/BHJ – Kiosk and Entrance Signs for Seminole County Natural Lands

Q - Could you please confirm the signage needed?

A - Number of signs: 7 Double Sided Signs 48" x 48 " x 2" (Geneva Wilderness Area, Lake Proctor Wilderness Area, Black Bear Wilderness Area, Chuluota Wilderness Area, Lake Jesup Wilderness Area, Black Hammock Wilderness Area, Econ River Wilderness Area). Graphics/ artwork are to be supplied by Seminole County.

Q – Are the Double Sided signs – 38"x9"x2" – constructed out of flat HPL (High Pressure Phenolic Laminate) required?

A – These small signs located underneath the large entrance signs will be provided and installed by Seminole County and are not to be included in the bid.

Q - An alternate option for dimensional sand-blasted, primed and painted HDU (High Density Urethane) will also accepted.

A – Yes, please see Addendum #2.

Q - Please also confirm that the Lucite material to be used throughout the project is to be 1/8" thick.

A - Please go with industry standard for the thickness of the material.

- **Phenolic Resin and High Density Urethane will be the only signage material accepted by Seminole County.**

Failure to acknowledge receipt of this addendum on the submittal may result in disqualification of your bid response.
