Agenda Date 7/23/07 Regular Consent Public Hearing – 6:00

MOTION/RECOMMENDATION:

1. **DENY** the request for a side yard setback variance from 10 feet to 3 feet for a proposed garage in A-5 (Rural District); or

GENERAL INFORMATION	Applicant: William Shaffer Location: 3240 Lake Harney Circle Zoning: A-5 (Rural District) Subdivision: Rest Haven
BACKGROUND / REQUEST	<ul style="list-style-type: none"> • At the June 25, 2007 public hearing, the BOA made a motion to continue this item to the July 23rd meeting to allow the applicant time to resolve the issue regarding a 15 foot private easement. • The applicant proposes to construct a 27-foot by 50-foot garage on the west side of the property. • The 1350 square foot garage would encroach 7 feet into the required 10-foot side yard setback. • There are currently no code enforcement or building violations for this property. • There is no record of prior variances for this property.

	<p>and which are not applicable to other lands, structures or building in the same zoning district.</p> <ul style="list-style-type: none">• Special conditions and circumstances result from the actions of the applicant.• The granting of the variance requested would confer on the applicant special privileges that are denied by Chapter 30 to other lands, buildings, or structures in the same zoning district.• The literal interpretation of the provisions of Chapter 30 would not deprive the applicant of rights commonly enjoyed by other properties in the same zoning classification.• The variance requested is not the minimum variance that will make possible reasonable use of the land, building or structure.• The applicant would still retain reasonable use of the land, building or structure without the granting of the variance.• The grant of the variance would not be in harmony with the general intent of Chapter 30.
<p>STAFF RECOMMENDATION</p>	<p>Based on the stated findings, staff recommends denial of the request, unless the applicants can demonstrate a hardship. If the Board should decide to grant a variance, staff recommends the following conditions of approval:</p> <ul style="list-style-type: none">• Any variance granted shall apply only to the garage as depicted on the attached site plan; and• Any additional condition(s) deemed appropriate by the Board, based on information presented at the public hearing.
