<b>GENERAL INFORMATION</b>	Applicant: R.V & Diana Rogers Location: 585 W SR 46 Zoning: A-5 (Rural District)
<b>BACKGROUND / REQUEST</b>	<ul style="list-style-type: none"> <li>• The applicants propose to construct a 12-foot by 22-foot screen room that would encroach 18 feet into the required 30-foot rear yard setback.</li> <li>• There are currently no code enforcement or building violations for this property.</li> <li>• There is no record of prior variances for this property.</li> </ul>
<b>STAFF FINDINGS</b>	The applicant has not satisfied the criteria for the grant of a variance. Staff has determined that: <ul style="list-style-type: none"> <li>• No special conditions or circumstances exist, which are peculiar to the land, structure, or building involved and which are not applicable to other lands, structures or building in the same zoning district.</li> <li>• Special conditions and circumstances result from the</li> </ul>

	<p>actions of the applicant.</p> <ul style="list-style-type: none"><li>• The granting of the variance requested would confer on the applicant special privileges that are denied by Chapter 30 to other lands, buildings, or structures in the same zoning district.</li><li>• The literal interpretation of the provisions of Chapter 30 would not deprive the applicant of rights commonly enjoyed by other properties in the same zoning classification.</li><li>• The variance requested is not the minimum variance that will make possible reasonable use of the land, building or structure.</li><li>• The applicant would still retain reasonable use of the land, building or structure without the granting of the variance.</li><li>• The grant of the variance would not be in harmony with the general intent of Chapter 30.</li></ul>
<p><b>STAFF RECOMMENDATION</b></p>	<p>Based on the stated findings, staff recommends denial of the request, unless the applicants can demonstrate a hardship. If the Board should decide to grant a variance, staff recommends the following conditions of approval:</p> <ul style="list-style-type: none"><li>• Any variance granted shall apply only to the screen room as depicted on the attached site plan; and</li><li>• Any additional condition(s) deemed appropriate by the Board, based on information presented at the public hearing.</li></ul>
