BOARD OF ADJUSTMENT
AGENDA MEMORANDUM**

SUBJECT: 200 Wekiva Park Drive – Francisco Torregrosa, applicant; Request for a rear yard setback variance from 200 feet to 30 feet for a proposed home abutting the Wekiva River in the A-1 (Agriculture) district.

DEPARTMENT: Planning & Development **DIVISION:** Planning

AUTHORIZED BY: Kathy Fall **CONTACT:** Kathy Fall **EXT.** 7389

Agenda Date 5/18/09 **Regular** **Consent** **Public Hearing – 6:00**

MOTION/RECOMMENDATION:

1. **Deny** the request for a rear yard setback variance from 200 feet to 30 feet for a proposed home abutting the Wekiva River in the A-1 (Agriculture) district; or
2. **Approve** the request for a rear yard setback variance from 200 feet to 30 feet for a proposed home abutting the Wekiva River in the A-1 (Agriculture) district; or
3. **Continue** the request to a time and date certain.

GENERAL INFORMATION	Applicant: Location: Zoning: Subdivision:	Francisco Torregrosa 200 Wekiva Park Drive A-1 Wekiva Camp
BACKGROUND / REQUEST	<ul style="list-style-type: none"> • The applicant proposes to replace an existing screen room with a single family home. The single family home will be on the same footprint as the screen room. • In 2004 the property was granted a variance for an addition to the screen room from 200 feet to 30 feet. • The screen room was constructed prior to the 1987 Comprehensive Plan which adopted the Wekiva River Protection policy that required the 200 foot setback from the edge of water • There are currently no code enforcement or building violations for this property.

STAFF FINDINGS	<p>The applicant has not satisfied the criteria for the grant of a variance. Staff has determined that:</p> <ul style="list-style-type: none">• No special conditions or circumstances exist, which are peculiar to the land, structure, or building involved and which are not applicable to other lands, structures or building in the same zoning district.• Special conditions and circumstances result from the actions of the applicant.• The granting of the variance requested would confer on the applicant special privileges that are denied by Chapter 30 to other lands, buildings, or structures in the same zoning district.• The literal interpretation of the provisions of Chapter 30 would not deprive the applicant of rights commonly enjoyed by other properties in the same zoning classification.• The variance requested is not the minimum variance that will make possible reasonable use of the land, building or structure.• The applicant would still retain reasonable use of the land, building or structure without the granting of the variance.• The grant of the variance would not be in harmony with the general intent of Chapter 30.
STAFF RECOMMENDATION	<p>Based on the stated findings, staff recommends denial of the request, unless the applicants can demonstrate that all six criteria under the Land Development Code for granting a variance have been satisfied. If the Board should decide to grant a variance, staff recommends the following conditions of approval:</p> <ul style="list-style-type: none">• Any variance granted shall apply only to the proposed single family home as depicted on the attached site plan; and• Any additional condition(s) deemed appropriate by the Board, based on information presented at the public hearing.
