GENERAL INFORMATION	Applicant: Dora Scholepein Location: 601 East Citrus Street Zoning: R-1AA Subdivision: Sanlando
BACKGROUND / REQUEST	<ul style="list-style-type: none"> • The applicant proposes to replace an existing fence that encroaches entirely into the front yard setback of 25 feet. • The property is a corner lot in which the fence is located on the side street setback. • There are currently no code enforcement or building violations for this property. • There is no record of prior variances for this property.
STAFF FINDINGS	The applicant has not satisfied the criteria for the grant of a variance. Staff has determined that: <ul style="list-style-type: none"> • No special conditions or circumstances exist, which

<p>STAFF RECOMMENDATION</p>	<p>Based on the stated findings, staff recommends denial of the request, unless the applicants can demonstrate that all six criteria under the Land Development Code for granting a variance have been satisfied. If the Board should decide to grant a variance, staff recommends the following conditions of approval:</p> <ul style="list-style-type: none">• Any variance granted shall apply only to the fence as depicted on the attached site plan; and• Any additional condition(s) deemed appropriate by the Board, based on information presented at the public hearing.
