<b>GENERAL INFORMATION</b>	Applicant: Robert Walker Owner: Marwan Sayyed & Sawsan Alhattoo Location: 2753 Joseph Circle Zoning: R-1BB (Single Family Dwelling) Subdivision: Village of Remington
<b>BACKGROUND / REQUEST</b>	<ul style="list-style-type: none"> <li>• The applicant proposes to construct a 6-foot privacy fence approximately 30 feet in length in order to screen an existing AT&amp;T phone cabinet from view.</li> <li>• The phone cabinet is located within the utility easement; and it has been requested by the neighborhood that the equipment be screened from view of the right of way.</li> <li>• There are currently no code enforcement or building violations for this property.</li> <li>• There is no record of prior variances for this property.</li> </ul>

Reviewed by:  
Co Atty: ICET  
Pln Mgr: AS

<b>STAFF FINDINGS</b>	<p>The applicant has not satisfied the criteria for the grant of a variance. Staff has determined that:</p> <ul style="list-style-type: none"><li>• No special conditions or circumstances exist, which are peculiar to the land, structure, or building involved and which are not applicable to other lands, structures or building in the same zoning district.</li><li>• Special conditions and circumstances result from the actions of the applicant.</li><li>• The granting of the variance requested would confer on the applicant special privileges that are denied by Chapter 30 to other lands, buildings, or structures in the same zoning district.</li><li>• The literal interpretation of the provisions of Chapter 30 would not deprive the applicant of rights commonly enjoyed by other properties in the same zoning classification.</li><li>• The variance requested is not the minimum variance that will make possible reasonable use of the land, building or structure.</li><li>• The applicant would still retain reasonable use of the land, building or structure without the granting of the variance.</li><li>• The grant of the variance would not be in harmony with the general intent of Chapter 30.</li></ul>
<b>STAFF RECOMMENDATION</b>	<p>Based on the stated findings, staff recommends denial of the request, unless the applicants can demonstrate that all six criteria under the Land Development Code for granting a variance have been satisfied. If the Board should decide to grant a variance, staff recommends the following conditions of approval:</p> <ul style="list-style-type: none"><li>• Any variance granted shall apply only to the front yard setback along the Southern Bell easement for a 6-foot privacy fence as depicted on the attached site plan; and</li><li>• Any additional condition(s) deemed appropriate by the Board, based on information presented at the public hearing.</li></ul>
