

**SEMINOLE COUNTY GOVERNMENT
LAND PLANNING AGENCY/PLANNING AND ZONING COMMISSION
AGENDA MEMORANDUM**

SUBJECT: Sandy Lane Reserve 2, rezoning from A-1 to R-1AAAA for Signature Development Corporation

DEPARTMENT: Planning and Development **DIVISION:** Planning

AUTHORIZED BY: *for* Matthew West **CONTACT:** Tony Matthews **EXT.** 7373

Agenda Date 11/06/02 **Regular** ☐ **Consent** ☐ **Work Session** ☐ **Briefing** ☐
Public Hearing – 1:30 ☐ **Public Hearing – 7:00** ☒

MOTION/RECOMMENDATION:

1. Recommend approval of the proposed rezoning from A-1 (Agriculture) to R-1AAAA (Single Family Dwelling District) on approximately 4.8 acres located on the west side of Sandy Lane, approximately 800 feet south of the intersection of Sandy Lane and Sand Lake Road, with staff findings and recommendation; or
2. Recommend denial of the proposed rezoning; or
3. Continue the proposed rezoning to a date certain.

Commissioner District #3 (Van Der Weide) (Tony Matthews, Principal Planner)

BACKGROUND:

The applicant, Signature Development Corporation, is requesting a rezoning from A-1 (Agriculture) to R-1AAAA (Single Family Dwelling District) on approximately 4.8 acres located on the west side of Sandy Lane, approximately 800 feet south of the intersection of Sandy Lane and Sand Lake Road. The site is designated Low Density Residential land use (see attached site map). The applicant is proposing an eight (8) lot single family residential subdivision for this property.

STAFF RECOMMENDATION:

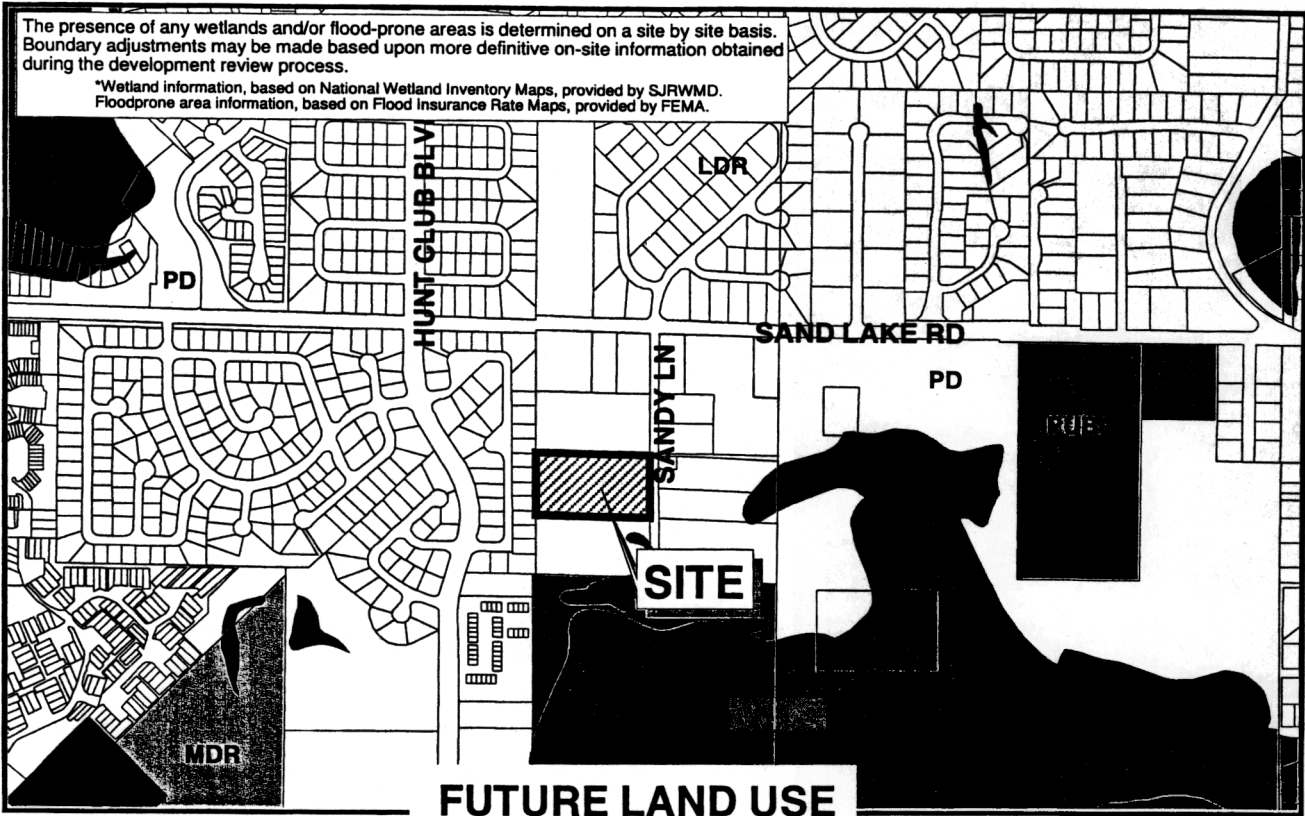

Recommend approval of R-1AAAA zoning, as proposed, with the enclosed staff findings.

SANDY LANE RESERVE 2		
APPLICANT	Signature Development Corporation	
PROPERTY OWNER(S)	George F. Spear	
REQUEST	Rezoning from A-1 (Agriculture) to R-1AAAA (Single Family Dwelling District)	
HEARING DATE(S)	LPA/P&Z: November 6, 2002	BCC: TBD
SEC/TWP/RNG	07-21-29-300-0120-0000	
LOCATION	West side of Sandy Lane, south of Sand Lake Road	
APPROXIMATE SIZE	4.8 acres	
FUTURE LAND USE DESIGNATION	Low Density Residential	
ZONING CLASSIFICATION	A-1 (Agriculture)	
FILE NUMBER	Z2002-024	
COMMISSION DISTRICT	#3 – Van Der Weide	

OVERVIEW:

Zoning Request:

The applicant, Signature Development Corporation, is requesting a rezoning from A-1 (Agriculture) to R-1AAAA (Single Family Dwelling District) on approximately 4.8 acres located on the west side of Sandy Lane, approximately 800 feet south of the intersection of Sandy Lane and Sand Lake Road. The minimum building and area regulations for R-1AAAA zoning are:

Lot size	21,780 square feet
House size	1,600 square feet
Width at building line	100 feet
Front setback	25 feet
Side setback	10 feet
Rear setback	30 feet

The Low Density Residential (LDR) future land use designation assigned to this property allows for a range of zonings that are potentially allowable but are not guaranteed. LDR allows for a net residential density of no greater than four (4) dwelling units per net buildable acre. The actual number of lots will be determined at time of subdivision review.

Existing Land Uses: Abutting uses, future land use designations and zoning classifications are:

Location	Existing Use	Future Land Use	Zoning
Site	Single family residential	Low Density Residential	A-1
North	Single family residential	Low Density Residential	A-1
South	Single family residential	Low Density Residential	A-1
East	Single family residential	Low Density Residential	A-1
West	Single family residential	Planned Development	PUD

Development trends are toward single family residential uses. The approximately five (5) acre parcel immediately to the southeast of this site was rezoned to R-1AAAA in 2000 and is being platted as Sandy Lane Reserve, containing eight (8) single family lots. The property abutting this site to the south is currently undergoing a rezoning request from A-1 to R-1AAA (Sandy Lane Reserve 3).

SITE ANALYSIS:

Facilities and Services: Adequate facilities and services must be available concurrent with the impacts of development. The applicant has submitted a Concurrency Review Deferral application. A full concurrency review will be required at time of preliminary subdivision review.

The proposed zoning is consistent with the adopted future land use designation of Low Density Residential assigned to the property and does not alter the options or long range strategies for facility improvements or capacity additions included in the Support Documentation to the Seminole County Comprehensive Plan (Vision 2020).

Transportation:

The site is served by Sand Lake Road (a major collector) and Sandy Lane (a 2-lane local street currently undergoing paving).

Water and Sewer:

The site is served by Sanlando Utilities. A letter from the utility stating that water service is available to this site will be required at time of subdivision review. The applicant proposes on-site septic systems at this time.

Compliance with Environmental Regulations:

There are no identified flood prone or wetland areas on this property. A listed species survey report will be required at the time of subdivision approval.

Compatibility with Surrounding Development:

Staff has conducted a lot size compatibility analysis, as required by the Land Development Code and Vision 2020 Plan Policy FLU 2.10 and 12.7, and has determined that R-1AAAA zoning, as proposed, would be compatible with surrounding development and development trends.

Public Comment:

Enclosed are a number of letters in support of this request provided that development is limited to no more than eight (8) lots (see enclosed letters).

STAFF FINDINGS AND RECOMMENDATION:

Recommend approval of R-1AAAA (Single Family Dwelling District) zoning, as proposed, with findings that:

1. R-1AAAA zoning meets the minimum level of presumptive compatibility as provided for in the "Lot Size Compatibility Ordinance" of the Land Development Code of Seminole County.
2. The proposed rezoning is consistent with Vision 2020 Plan policies related to the Low Density Residential future land use designation.
3. The proposed rezoning is compatible with adjacent single family residential development and development trends.
4. Development must meet the applicable provisions of the Seminole County Comprehensive Plan (Vision 2020) and Land Development Code of Seminole County.

Re: Zoning Change – Sandy Lane, Longwood, FL

Gentlemen:

I am enclosing another letter supporting the change in zoning on the Sandy Lane project with Signature Development as the applicant. This is the fourth approval letter that we have received and I believe Mr. Franklin of Sandy Lane is also sending one.

All the residents on Sandy Lane are 100% behind this beautiful project, the paving of the streets, new drainage system, sidewalks and more particularly the fact that Signature Development, in conjunction with other property owners, is improving the majority of the entryways into the homes on Sandy Lane with wrought iron and brick columns. We are basically taking what has been for many years somewhat of an eyesore and a washed-out road and turning it into one of the most beautiful small developments in Seminole County.

I am also enclosing two aerial photographs depicting the three, five-acre parcels. On the one to the left, as you know, the plat is being recorded as we speak. The Talbert and Spear properties are on the right-hand side, five acres each.

We are only asking for 24 home sites out of the 15 acres or basically eight large home sites per five acres. You will notice to the right (west) of the Spear and Talbert five acres, there is another older development where the homes are very small and inexpensive and many of them are on 75 and 80-foot lots. There is also a condominium unit that is in the same area and it is shown on the aerial as well.

Our zoning and density far exceed the norm and what could ultimately be built on these two, five-acre parcels. It is going to be done first-class in every respect. If you have any questions, I am always available.

Cordially,

E. Everette Huskey
President

To Whom it may concern:

I am the owner of five acres on the corner of Sandlake Road and Sandy Lane in Longwood. My home address is 1200 Sandy Lane and is impacted by proposed new construction at the end of Sandy Lane. The Sandy Lane property has a legal description of: sec 07 twp 21s rge 29e w129 ft of ne $\frac{1}{4}$ of nw $\frac{1}{4}$ of se $\frac{1}{4}$ of ne $\frac{1}{4}$ (less rd) and a second parcel described as: sec 07 twp 21s rge 29e ne $\frac{1}{4}$ of nw $\frac{1}{4}$ of se $\frac{1}{4}$ of ne $\frac{1}{4}$ (less rd).

Additionally my Sandlake Road property is described as: sec 07 twp 21s rge 29e nw $\frac{1}{4}$ of nw $\frac{1}{4}$ of se $\frac{1}{4}$ of ne $\frac{1}{4}$ (less rd).

My properties are within 1000 feet of a proposed zoning change application. This is to advise you that I have no objection to the change in zoning as currently proposed: To allow no more than eight (8) homes per five (5) acres for development.

Very truly yours,

Richard L. Franklin

To Whom it may concern:

I am the owner of the property located at 1081 Sandy lane, Longwood, Florida, 32779, more particularly described as, "The South half of the North half of the Southeast quarter of the Southeast quarter of the Northeast quarter of Section 7, Township 21 South, Range 29 East (Less the West 25 feet for road), Seminole County, Florida". My property is directly across the street from the property that is the subject of the zoning change application. Please be advised that I have no objection to the change in zoning to allow NO MORE THAN eight (8) homes per five (5) acres.

Sincerely,

Gregory Lerch

Re: Zoning Change

Gentlemen:

I am enclosing a copy of two Applications for Change of Zoning from Agricultural to Residential for approximately 10 acres for a total of 16 units.

A few days ago, I signed all my rights to this property to Signature Development Corporation (Signature Homes), Ken Watkins, President. Mr. Watkins will develop these two approximate 5-acre parcels as well as another 5-acre parcel for which the plat has recently been approved for 8 homesites (see enclosed letter).

Signature Development will ultimately own the property and will be responsible for all the paving and infrastructure of the cul-de-sac as well as the paving of Sandy Lane, and will provide the water through Sanlando Utilities.

As you know, we have been working on this Sandy Lane project for three years this month. This will be a first-class, beautiful development with large estate homes and it will certainly be an asset to the entire area.

If you have any questions whatsoever, please do not hesitate to give me a call.

Cordially,

E. Everette Huskey

September 24, 2002

Dear Mr. Huskey,

This is to serve as a notification to you, and your colleagues, PACE Brantley Hall School's position regarding the matter of the proposed construction of Sandy Lane Reserve Homes and the paving and improvement of Sandy Lane Road.

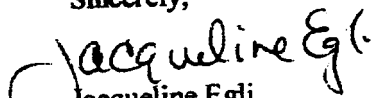

As the Director of PACE Brantley Hall School, and acting agent on the school's behalf, I authorize the following:

1. Access is granted for the removal of water pipes on our property, 3221 Sand Lake Road, as part of the improvement and paving process of Sandy Lane Road. We understand that you will replace and upgrade the existing fence, and that you will maintain a safe environment for our students and staff, at all times, during this process.
2. We further acknowledge that your intent is to develop a total of 15 acres, into the Sandy Lane Reserve, and that no more than a total of 24 homes will be developed on the acreage. Specifically, the first tract of land is zoned for residential use. The remaining two sections of land, each a 5 acre parcel, will need to be rezoned from agricultural use to residential use. With the understanding that no more than 8 lots, per five acre tract will be developed for the Sandy Lane Reserve, we are in favor of the proposed building project.

If you have any questions, or if you need to reach me to discuss any additional concerns regarding this proposal and building project, you can reach me at the number listed below.

Thank you, and good luck with your exciting plans.

Sincerely,

Jacqueline Egli
Director
