MOTION/RECOMMENDATION:

1. Recommend approval of the proposed rezoning from A-1 (Agriculture) to R-1AAA (Single Family Dwelling District) on approximately 4.9 acres located on the west side of Sandy Lane, approximately 1,100 feet south of the intersection of Sandy Lane and Sand Lake Road, with staff findings and recommendation; or
2. Recommend denial of the proposed rezoning; or
3. Continue the proposed rezoning to a date certain.

Commissioner District #3 (Van Der Weide) (Tony Matthews, Principal Planner)

BACKGROUND:

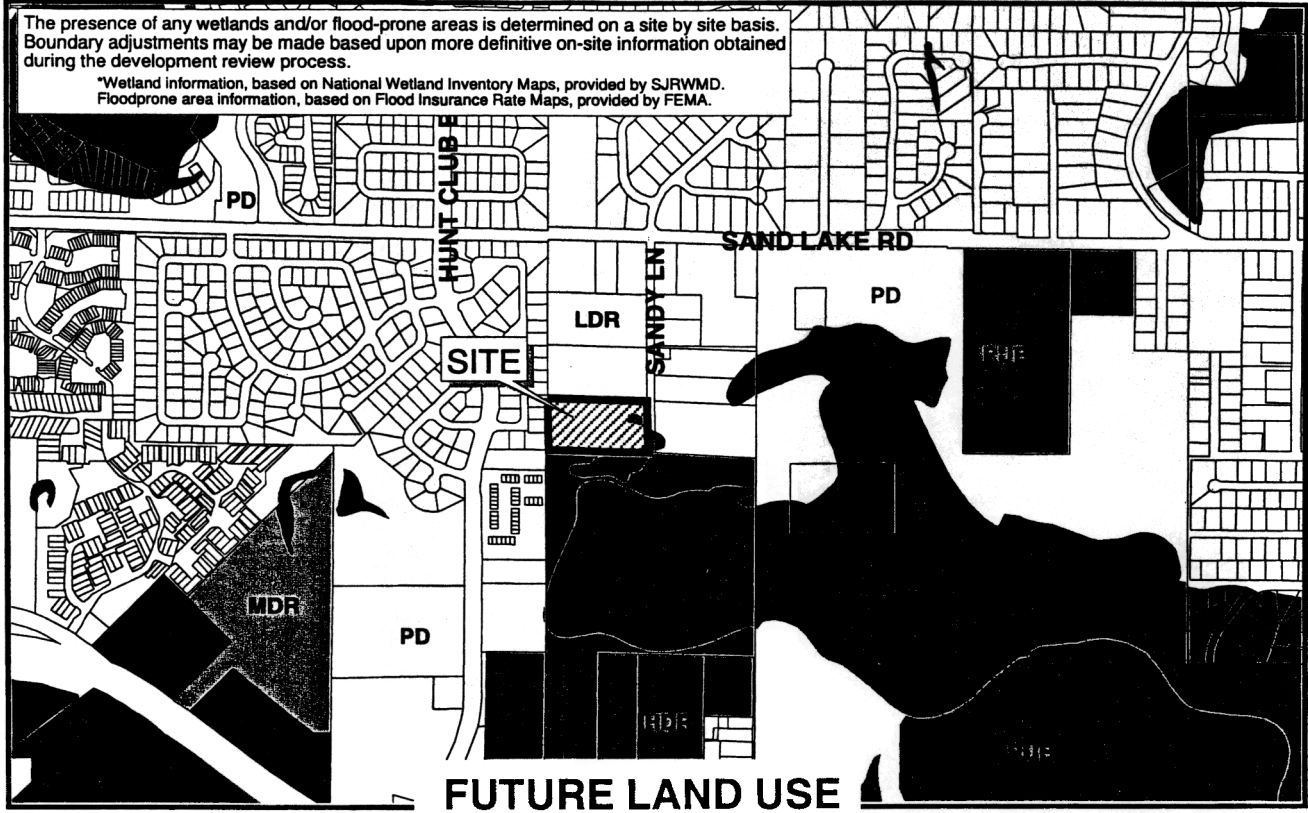

The applicant, Signature Development Corporation, is requesting a rezoning from A-1 (Agriculture) to R-1AAA (Single Family Dwelling District) on approximately 4.9 acres located on the west side of Sandy Lane, approximately 1,100 feet south of the intersection of Sandy Lane and Sand Lake Road. The site is designated Low Density Residential land use (see attached site map). The applicant is proposing an eight (8) lot single family residential subdivision for this property.

STAFF RECOMMENDATION:

Recommend approval of R-1AAA zoning, as proposed, with the enclosed staff findings.

SANDY LANE RESERVE 3

APPLICANT	Signature Development Corporation	
PROPERTY OWNER(S)	Steven C. Talbert	
REQUEST	Rezoning from A-1 (Agriculture) to R-1AAA (Single Family Dwelling District)	
HEARING DATE(S)	LPA/P&Z: November 6, 2002	BCC: TBD
SEC/TWP/RNG	07-21-29-300-0110-0000	
LOCATION	West side of Sandy Lane, south of Sand Lake Road	
APPROXIMATE SIZE	4.9 acres	
FUTURE LAND USE DESIGNATION	Low Density Residential	
ZONING CLASSIFICATION	A-1 (Agriculture)	
FILE NUMBER	Z2002-025	
COMMISSION DISTRICT	#3 – Van Der Weide	

OVERVIEW:

Zoning Request:

The applicant, Signature Development Corporation, is requesting a rezoning from A-1 (Agriculture) to R-1AAA (Single Family Dwelling District) on approximately five 4.9 acres located on the west side of Sandy Lane, approximately 1,100 feet south of the intersection of Sandy Lane and Sand Lake Road. The minimum building and area regulations for R-1AAA zoning are:

Lot size	13,500 square feet
House size	1,600 square feet
Width at building line	100 feet
Front setback	25 feet
Side setback	10 feet
Rear setback	30 feet

The Low Density Residential (LDR) future land use designation assigned to this property allows for a range of zonings that are potentially allowable but are not guaranteed. LDR allows for a net residential density of no greater than four (4) dwelling units per net buildable acre. The actual number of lots will be determined at time of subdivision review.

Existing Land Uses: Abutting uses, future land use designations and zoning classifications are:

Location	Existing Use	Future Land Use	Zoning
Site	Single family residential	Low Density Residential	A-1
North	Single family residential	Low Density Residential	A-1
South	Cemetery	Public, Quasi-Public	A-1
East	Single family residential	Low Density Residential	R-1AAAA
West	Single family residential	Planned Development	PUD

Development trends are toward single family residential uses. The approximately five (5) acre parcel immediately to the east of this site was rezoned to R-1AAAA in 2000 and is being platted as Sandy Lane Reserve, containing eight (8) single family lots. The property abutting this site to the north is currently undergoing a rezoning request from A-1 to R-1AAAA (Sandy Lane Reserve 2).

SITE ANALYSIS:

Facilities and Services: Adequate facilities and services must be available concurrent with the impacts of development. The applicant has submitted a Concurrency Review Deferral application. A full concurrency review will be required at time of preliminary subdivision review.

The proposed zoning is consistent with the adopted future land use designation of Low Density Residential assigned to the property and does not alter the options or long range strategies for facility improvements or capacity additions included in the Support Documentation to the Seminole County Comprehensive Plan (Vision 2020).

Transportation:

The site is served by Sand Lake Road (a major collector) and Sandy Lane (a 2-lane local street currently undergoing paving).

Water and Sewer:

The site is served by Sanlando Utilities. A letter from the utility stating that water service is available to this site will be required at time of subdivision review. The applicant proposes on-site septic systems at this time.

Compliance with Environmental Regulations:

There are no identified flood prone areas on this property. A small area of wetlands are located on the eastern portion of the property. A listed species survey report will be required at the time of subdivision approval.

Compatibility with Surrounding Development:

Staff has conducted a lot size compatibility analysis, as required by the Land Development Code and Vision 2020 Plan Policy FLU 2.10 and 12.7, and has determined that R-1AAA zoning, as proposed, would be compatible with surrounding development and development trends.

Public Comment:

Enclosed are letters in support of the rezoning requesting a total of eight (8) lots (see enclosed letters).

STAFF FINDINGS AND RECOMMENDATION:

Recommend approval of R-1AAA (Single Family Dwelling District) zoning, as proposed, with findings that:

1. R-1AAA zoning meets the minimum level of presumptive compatibility as provided for in the "Lot Size Compatibility Ordinance" of the Land Development Code of Seminole County.
2. The proposed rezoning is consistent with Vision 2020 Plan policies related to the Low Density Residential future land use designation.
3. The proposed rezoning is compatible with adjacent single family residential development and development trends.
4. Development must meet the applicable provisions of the Seminole County Comprehensive Plan (Vision 2020) and Land Development Code of Seminole County.

Re: Zoning Change

Gentlemen:

I am enclosing a copy of two Applications for Change of Zoning from Agricultural to Residential for approximately 10 acres for a total of 16 units.

A few days ago, I signed all my rights to this property to Signature Development Corporation (Signature Homes), Ken Watkins, President. Mr. Watkins will develop these two approximate 5-acre parcels as well as another 5-acre parcel for which the plat has recently been approved for 8 homesites (see enclosed letter).

Signature Development will ultimately own the property and will be responsible for all the paving and infrastructure of the cul-de-sac as well as the paving of Sandy Lane, and will provide the water through Sanlando Utilities.

As you know, we have been working on this Sandy Lane project for three years this month. This will be a first-class, beautiful development with large estate homes and it will certainly be an asset to the entire area.

If you have any questions whatsoever, please do not hesitate to give me a call.

Cordially,

E. Everette Huskey

Re: Change of Zoning

Gentlemen:

As the owner of 4.9 acres on the west side of Sandy Lane, South of Sandlake Road abutting Sandy Lane, I support and approve the zoning change on my property from Agricultural to Single Family, for a total of 8 units on my particular parcel of land (Legal Description: The South $\frac{1}{2}$ of the Southwest $\frac{1}{4}$ of the southeast $\frac{1}{4}$ of the Northeast $\frac{1}{4}$ less the West 16.5 feet of Section 7, Township 21 South, Range 29 East, Public Records of Seminole County, Florida).

I further approve the zoning change of the contiguous property to the north in the name of George F. Spear, owner, from Agricultural to Single Family, for 8 units on his parcel (Legal Description: The North $\frac{1}{2}$ of the Southwest $\frac{1}{4}$ of the Southeast $\frac{1}{4}$ of the Northeast $\frac{1}{4}$ of Section 7, Township 21 South, Range 29 East, (less the West 16.5 feet), Public Records of Seminole County, Florida, (less East 25 feet for road), for a total of 16 units on the two parcels.
