BACKGROUND:

In May of 2001, Seminole County granted a lease agreement to Kid’s House of Seminole County on property located adjacent to the west of the subject property on North CR 427 (Ronald Regan Boulevard). Kid’s House of Seminole County is a non-residential counseling center for children, which is funded by a variety of sources, including the Seminole County Sheriff’s Office. Due to an increase in needed services, Kid’s House wishes to expand its facility upon the adjacent property which is also County owned.

On July 22, 2003 the Board of County Commissioners directed staff to proceed with the administrative rezoning process for the subject parcel on which the expansion is proposed. Currently, it is zoned A-1. The proposed PLI zoning is the appropriate zoning for publicly owned land and the proposed use.

STAFF RECOMMENDATION:

Staff recommends approval of the request based on findings in this report.

OVERVIEW

- Zoning Request:** Seminole County wishes to rezone approximately 1.26 acres of county owned land located on the south side of North CR 427 approximately 300 feet west of Hester Avenue. The proposed use on the property is Kid's House of Seminole County which is a non-residential facility for children. The BCC directed staff to process this rezoning request to facilitate the expansion of this public service use.

Existing Land Uses: The existing zoning designations and land uses are as follows:

	Zoning	Future Land Use	Existing Land Use
North	A-1	Low Density Residential	Vacant, Flea World
South	A-1	Low Density Residential	Single Family Residential
East	C-1, R-1AAA	Low Density Residential	Single Family Vacant
West	PLI	Low Density Residential	Kid's House

For more detailed information regarding zoning and land use, please refer to the attached map.

SITE ANALYSIS

Facilities and Services:

- Adequate facilities and services must be available concurrent with the impacts of development. If required by the concurrency review, additional facilities and services will be identified.
- The proposed zoning is consistent with the adopted future land use designation assigned to the property, and does not alter the options or long range strategies for

facility improvements or capacity additions included in the Support Documentation to the Vision 2020 Plan.

3. Water and sewer service are available to serve the site.
4. Information on stormwater capacity and outfall will have to be provided prior to Final Site Plan approval.

Compliance with Environmental Regulations: At this time there are no concerns regarding compliance with environmental regulations.

Compatibility with surrounding development: The proposed use on this publicly owned land can be compatible with the adjacent residential zoning district through adequate buffers and sensitive site design. The property to the west is currently leased to the Kid's House of Seminole County.

STAFF RECOMMENDATION

Staff recommends approval of the rezoning request.
