LAND PLANNING AGENCY/PLANNING AND ZONING COMMISSION
AGENDA MEMORANDUM

SUBJECT: Minor amendment to the Heathrow International Business Center Planned Unit Development Final Master Plan to denote/clarify a full access onto CR 46A from the proposed Business Center Drive extension, and to add an additional access point on CR 46A, west of International Parkway

DEPARTMENT: Planning and Development **DIVISION:** Planning

AUTHORIZED BY: Matthew West **CONTACT:** Tony Matthews **EXT.** 7373

Agenda Date 12/03/03 **Regular** **Consent** **Work Session** **Briefing**
Public Hearing – 1:30 **Public Hearing – 7:00**

MOTION/RECOMMENDATION:

1. Recommend approval of the proposed minor amendment to the Heathrow International Business Center Planned Unit Development Final Master Plan to denote/clarify a full access onto CR 46A from the proposed Business Center Drive extension, and to add an additional access point on CR 46A, west of International Parkway (via the attached Addendum No. 1 to the PUD Final Master Plan), with staff findings and recommendation; or
2. Do not recommend approval of the proposed minor amendment to the Heathrow International Business Center Planned Unit Development Final Master Plan to denote/clarify a full access onto CR 46A from the proposed Business Center Drive extension, and to add an additional access point on CR 46A, west of International Parkway (via the attached Addendum No. 1 to the PUD Final Master Plan); or
3. Continue this item to a date and time certain.

(District 5 – Commissioner McLain)

(Tony Matthews, Principal Planner)

BACKGROUND:

The applicant, Meredith Harper-Pickens, Shutts & Bowen LLP, is requesting a minor amendment to the Heathrow International Business Center (HIBC) Planned Unit Development (PUD) Final Master Plan to denote/clarify a full access onto CR 46A from the proposed Business Center Drive, and add an additional access point onto CR 46A, west of International Parkway. The subject property is generally located at the southwest junction of CR 46A (portions also known as H. E. Thomas, Jr., Parkway) and International Parkway.

STAFF RECOMMENDATION:

Recommend approval of the minor amendment to the HIBC PUD, as requested, with the enclosed staff findings and recommendation.

File No. Z2003-048

The current plan for the HIBC PUD proposes one (1) access point onto CR 46A from the proposed Business Center Drive extension, which is located approximately 815 feet center line to center line west of International Parkway (see #1 on the attached Proposed Access Plan). The applicant is proposing to denote/clarify full access onto CR 46A from the proposed Business Center Drive extension on the PUD Final Master Plan. A full access median was previously constructed at this location by Seminole County during the widening of CR 46A.

Secondly, the applicant is proposing to add an additional access point onto CR 46A, to be located approximately 485 feet center line to center line west of International Parkway (see #2 on the attached Proposed Access Plan). This additional access point would be limited to right in/right out only onto CR 46A and primarily serve Office Tract P2 of the PUD Final Master Plan.

Applicable policies from the Seminole County Comprehensive Plan (Vision 2020 Plan) include, but may not be limited to:

1. The County shall continue to establish and enforce policies, standards and regulations for the management of access points and connections to the County Road System to include, but not be limited to, provisions for the location, design and frequency of access points and connections...Policy TRA 3.8 (Access Management).
2. The County shall continue to require parcels adjacent to collector or arterial streets to dedicate all access rights to the County when lawful access has been granted to the property owners Policy TRA 6.13 (Dedication of Access Rights).

STAFF FINDINGS AND RECOMMENDATION

Recommend approval of the minor amendment to the HIBC PUD, as requested (via the attached Addendum No. 1 to the PUD Final Master Plan), with the following staff findings:

1. Denoting/clarifying full access onto CR 46A from the proposed Business Center Drive extension on the PUD Final Master Plan is consistent with the existing full access median previously constructed by Seminole County.*
2. The proposed additional access point onto CR 46A sufficiently meets the separation requirements for right in/right access only.
3. This recommendation for approval is supported by the following policies of the Seminole County Comprehensive Plan (Vision 2020 Plan):

- a. The County shall continue to establish and enforce policies, standards and regulations for the management of access points and connections to the County Road System to include, but not be limited to, provisions for the location, design and frequency of access points and connections...Policy TRA 3.8 (Access Management).
- b. The County shall continue to require parcels adjacent to collector or arterial streets to dedicate all access rights to the County when lawful access has been granted to the property owners Policy TRA 6.13 (Dedication of Access Rights).

*If this denoting/clarifying full access onto CR 46A from Business Center Drive extension on the PUD Final Master Plan is approved by the Board of County Commissioners, the PUD Final Master Plan will be revised and filed with Seminole County.

**ADDENDUM NO. 1
TO THE HEATHROW INTERNATIONAL BUSINESS CENTER
PLANNED UNIT DEVELOPMENT FINAL MASTER PLAN**

The Heathrow International Business Center Planned Unit Development Final Master Plan, updated August 26, 2003, attached as Exhibit "A", is hereby amended as follows:

1. Clarify that full access onto CR 46A shall be permitted from the proposed Business Center Drive extension, consistent with the existing full access median previously constructed by Seminole County (see #1 on the Proposed Access Plan, attached as Exhibit "B").

2. An additional access point shall be permitted onto CR 46A, to be located approximately 485 feet center line to center line west of International Parkway. This additional access point shall be limited to right in/right out traffic onto CR 46A only, and shall primarily serve Office Tract P2 of the PUD Final Master Plan (see #2 on the Proposed Access Plan, attached as Exhibit "B"). A legal description that includes Office Tract P2 is attached as Exhibit "C".
