Approval of Minutes for August Meeting

Approved

Old Business:

- **Analysis of Mapped Summaries** – Discussion regarding direction of the master plan.
 - Countywide meeting with Cities – Some in the group felt map was not to the point of unveiling to the Cities. Debate revolved between moving forward to define actual corridors for new trails or waiting for the next step in the master planning process and do a needs assessment. Map will be refined to include broad stroke connections to provide ideas for City discussions.
 - Altamonte Springs will be contacted for any updates they have.
- **Sanford Riverwalk** – Bryan gave overview of discussions moderated by Jerry McCollum including County, City, and FDOT. Group convened week of September 6th to discuss design options and palatable maintenance between FDOT and City. In the initial discussions, City is willing to fund and maintain trail if FDOT maintains the road.

New Business:

- **City of Winter Springs Ordinance** – Eloise Sahlstrom gave an overview of the Winter Springs Ordinance creating a Trails Committee.
