WHOLE COMMUNITY FUNCTIONAL EXERCISE Disaster Seminar for Non-Profit and Faith-Based Organizations

Wednesday, August 5, 2015

8:30 a.m. to 11:30 a.m.

Lake Mary Events Center

260 N. Country Club Road • Lake Mary, FL 32746

- How can your organization serve the community after a major disaster?
- How will you communicate with members of your organization?
- What will you do if organization members are victims of a disaster?

Answer these questions and more with the Seminole County Office of Emergency Management!

Non-profit and Faith-based organizations can serve vital roles in disaster preparedness, response, and recovery. This exercise will focus on increasing coordination and collaboration among your organizations and public safety personnel. In order to ensure smooth coordination of resources and volunteers, please send a representative from your organization to participate in this exciting opportunity.

Session highlights include

- A mock-disaster scenario and a facilitated discussion of how volunteer skills and services can be effectively utilized in our communities.
- Compile a regional directory of the skills and services that each of organization is able to provide.
- Discuss how your organization can successfully integrate with first responders and other organizations during a large scale emergency
