

**SEMINOLE COUNTY TRANSPORTATION AND EDUCATION
INFRASTRUCTURE PLAN INTERLOCAL AGREEMENT**

THIS INTERLOCAL AGREEMENT, by and between **SEMINOLE COUNTY**, a political subdivision of the State of Florida, whose address is Seminole County Services Building, 1101 East First Street, Sanford, Florida 32771 (hereafter referred to as the "COUNTY"),

THE SEMINOLE COUNTY SCHOOL BOARD, a school district created by Florida law, whose address is 400 East Lake Mary Boulevard, Sanford, Florida 32773, (hereafter referred to as "SCHOOL BOARD"), and the following municipalities:

THE CITY OF ALTAMONTE SPRINGS, a Florida municipal corporation, whose address is 225 Newburyport Avenue, Altamonte Springs, Florida 32701 (hereafter referred to as "ALTAMONTE SPRINGS"); and

THE CITY OF CASSELBERRY, a Florida municipal corporation, whose address is 95 Triplet Lake Drive, Casselberry, Florida 32707 (hereafter referred to as "CASSELBERRY"); and

THE CITY OF LAKE MARY, a Florida municipal corporation, whose address is Post Office Box 950700, Lake Mary, Florida 32795-0700 (hereafter referred to as "LAKE MARY"); and

THE CITY OF LONGWOOD, a Florida municipal corporation, whose address is 175 West Warren Avenue, Longwood, Florida 32750 (hereafter referred to as "LONGWOOD"); and

THE CITY OF OVIEDO, a Florida municipal corporation, whose address is 400 Alexandria Boulevard, Oviedo, Florida 32765 (hereafter referred to as "OVIEDO"); and

CERTIFIED COPY
MARYANNE MORSE
CLERK OF CIRCUIT COURT
SEMINOLE COUNTY, FLORIDA
BY *S. McLean*
DEPUTY CLERK

THE CITY OF SANFORD, a Florida municipal corporation, whose address is Post Office Box 1788, Sanford, Florida 32772-1788 (hereafter referred to as "SANFORD"); and

THE CITY OF WINTER SPRINGS, a Florida municipal corporation, whose address is 1126 East State Road 424, Winter Springs, Florida 32708 (hereafter referred to as "WINTER SPRINGS").

WITNESSETH:

WHEREAS, under the authority of Section 212.055(2), Florida Statutes, and pursuant to Seminole County Ordinance Number 2001-30, the COUNTY has imposed a 1.0 percent (1¢) local government infrastructure sales surtax upon taxable transactions occurring in Seminole County and has provided for distribution of the proceeds from the surtax, subject to the outcome of a referendum in September, 2001; and

WHEREAS, the COUNTY, the SCHOOL BOARD, and signatory municipalities desire to earnestly and cooperatively work together in order to benefit the citizens of Seminole County and the municipalities within Seminole County by improving the infrastructure of the Seminole County school system, by providing acceptable levels of service for roadways within Seminole County, and by providing for the distribution of revenues of the local government infrastructure sales surtax according to the terms of this Agreement,

NOW, THEREFORE, in consideration of the promises, covenants and commitments contained herein and other good and valuable consideration, the receipt and adequacy of which are hereby acknowledged by all parties hereto, the parties

agree to provide for the distribution of the revenues derived from the local government infrastructure sales surtax as follows:

Section 1. Term. This Agreement shall become effective when approved by the Governing Bodies of the COUNTY, the SCHOOL BOARD, and the requisite number of municipalities pursuant to *Section 212.055(2)(c)1, Florida Statutes*. This Agreement shall remain in effect for the life of the surtax imposed pursuant to Seminole County Ordinance Number 2001-30

Section 2. Distribution of Proceeds.

(a) The net revenues (meaning the collected surtax less the amounts retained by the Florida Department of Revenue pursuant to Florida law) derived from the local government infrastructure sales surtax levied and imposed by the COUNTY shall be allocated totally to the COUNTY.

(b) The COUNTY shall transfer to the SCHOOL BOARD twenty-five percent (25%) of the overall net revenues collected during the life of the surtax, for use by the SCHOOL BOARD on the projects listed in Exhibit "A" to this Agreement. The proceeds shall be distributed as shown in Exhibit "A" to this Agreement.

(c) The COUNTY shall use thirty-seven and one half percent (37½%) of the net revenues to diligently prosecute the projects on major roads in Seminole County listed in Exhibit "B" to this Agreement.

(d) The COUNTY and the signatory municipalities shall use the remaining thirty-seven and one half percent (37½%) of the net revenues to diligently prosecute the transportation projects listed in Exhibit "C" to this Agreement. The net revenues referred to in the immediately preceding sentence shall be distributed among the

COUNTY and the signatory municipalities according to the formula contained in *Section 218.62, Florida Statutes*, incorporating population data from the 2000 Census published by the Census Bureau in March 2001. The distribution that results from the application of this formula is attached hereto as Exhibit "D".

(e) If any local government successfully appeals the results of the 2000 Census figures as published by the Census Bureau, the distribution formula found in Exhibit "D" shall be recalculated to reflect the adjustments made in the 2000 Census results by the Census Bureau. Any such change shall be effective at the start of the distribution year following the adjustment.

(f) It is the intent of the parties to improve the infrastructure of the Seminole County school system. It is the intent of the parties to improve the transportation infrastructure within Seminole County and its municipalities, and thereby provide acceptable levels of service to the residents of Seminole County and its municipalities as they travel the transportation system within Seminole County. It is the intent of the parties that revenues derived from the local government infrastructure surtax (other than the revenues distributed to the School Board pursuant to this Agreement) will be used to fund the identified improvements and other necessary transportation improvements by constructing and reconstructing transportation facilities. The parties recognize the need to consistently communicate on an ongoing basis with regard to the use of surtax revenues and as to the project needs and timing as set forth in Exhibits "A", "B", and "C".

Section 3. Project Lists.

(a) A project listed in Exhibits "A", "B" or "C" may be deleted from these exhibits, or a project may be added to Exhibits "A", "B", or "C", only after approval by the governmental entity controlling the project following an advertised public hearing. The governmental entity proposing the changes shall notify the COUNTY's Manager and all other governmental entities that are parties to this Agreement no less than thirty (30) days before the public hearing. The other government entities that have received notice of the proposed addition or deletion shall have the right to propose comments to the local government entity proposing the change, and any such comments shall be duly considered. Within ten (10) business days following the action of the governmental entity proposing the changes, any of the commenting parties may file an appeal of that action with the Seminole County Board of County Commissioners. After reviewing the original comments, recommendations and action with the governmental entity proposing the change, the COUNTY shall approve or reject the proposed revisions at a public meeting.

(b) The scope of an existing project listed in Exhibit "A", "B" or "C" may be expanded, reduced, or otherwise altered upon the written approval of the chief administrative officer of the governmental entity seeking the change, subject to the statutes, rules, and procedures of the local government entity, and with the written concurrence of the COUNTY's Manager.

Section 4. Entire Agreement.

(a) It is understood and agreed that the entire Agreement of the parties is contained herein and that this Agreement supersedes all oral agreements and

negotiations between the parties relating to the subject matter hereof as well as any previous agreements presently in effect between the parties relating to the subject matter hereof.

(b) Any alterations, amendments, or waivers of the provisions of this Agreement, other than those matters addressed in Section 3 of this Agreement, shall be valid only when expressed in writing and duly signed by the parties.

IT WITNESS WHEREOF, the parties having caused this Agreement to be duly executed in nine (9) counterparts by their respective and duly authorized offices on the respective dates.

1% Local Government Infrastructure Sales Surtax

Distribution Of Net Revenues For Educational Facility Projects

<u>Year*</u>	<u>% to School Board</u>	
1/2002	45%	
2/2003	45%	• Revenues received monthly by Seminole County.
3/2004	45%	
4/2005	25%	
5/2006	25%	• Upon receipt of monthly revenue distribution from the State Dept. of Revenue, the applicable % will promptly be remitted to the School Board by Seminole County.
6/2007	25%	
7/2008	25%	
8/2009	8% **	
9/2010	8% **	
10/2011	8% **	
Overall	25%	

*Year = 1 Year of the Life of the 1% Local Government Infrastructure Sales Surtax Levy, which is a calendar year.

** During Year 7, a projection update of net revenues shall be prepared by Seminole County and provided to the School Board for review. As part of the projection update, the percentages for Years 8 through 10 will be recalculated so as to yield a projected distribution to the School Board at the end of the 10 years of 25% of the overall net revenues.

A similar projection update shall be prepared and reviewed during Year 9, including a recalculation of the final year's percentage which would be used for the first 11 months of Year 10. The last monthly distribution of Year 10 shall be adjusted as necessary to yield a final distribution to the School Board at the end of the 10 Years of 25% of the overall net revenues.
